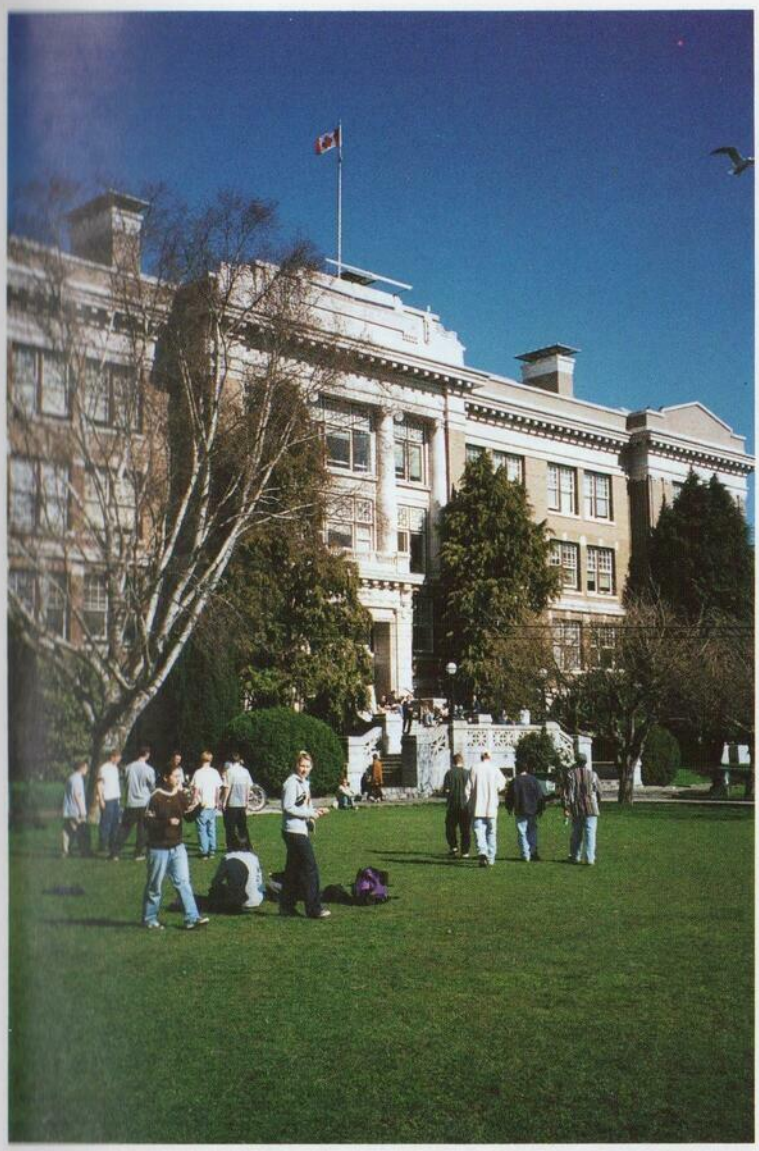
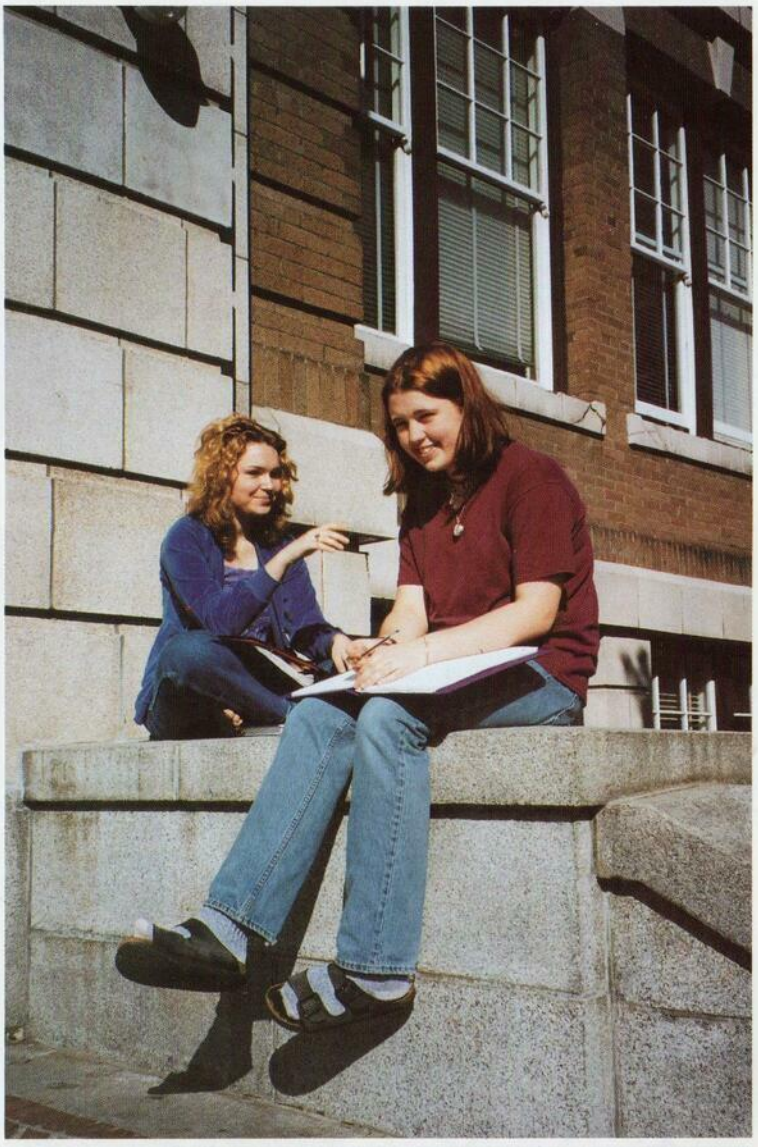
PALMA NON SINE PULVERE

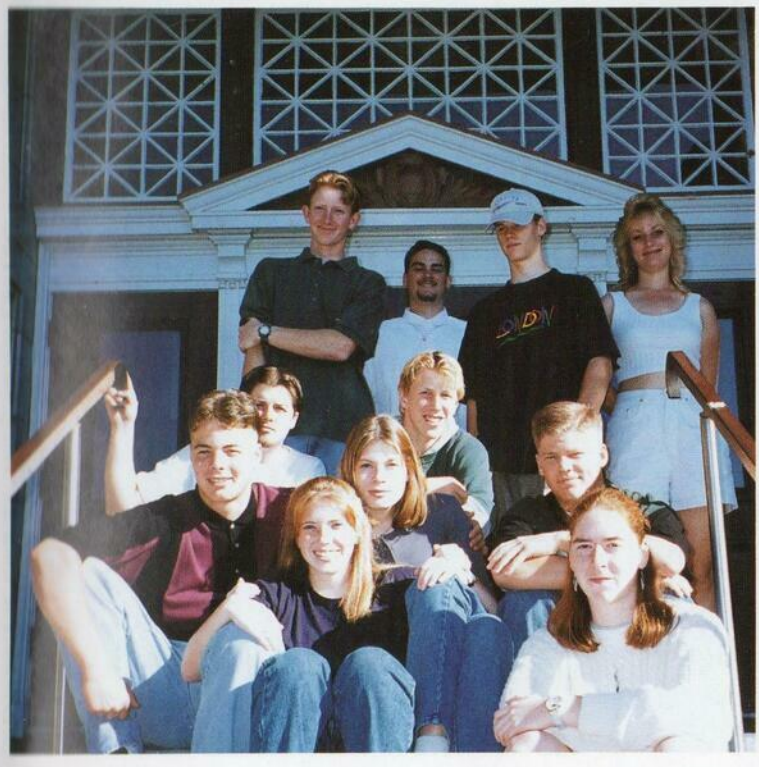
NO REWARD WITHOUT EFFORT

As British Columbia's first secondary school, Victoria High School deservedly claims a special honor. Few institutions in Canada can celebrate over 120 years of continuous successful history. A wealth of recorded history echoes and reverberates in the life of our grand old school. Echoes and reverberates in the efforts, rewards, and smiles of our current cliental. *Palma non sine pulvere*: no reward without effort, rings clear in our minds.

Our diverse population is recognized in this volume. The vision, scholarship, and integrity of our predecessors has been continued. The memories that have embedded themselves within this institution - framed themselves within brick and stone - can jubilantly be released to celebrate with us. Our successes, our rewards, our efforts, and our positive social values all prove the importance of education beyond any static monument.





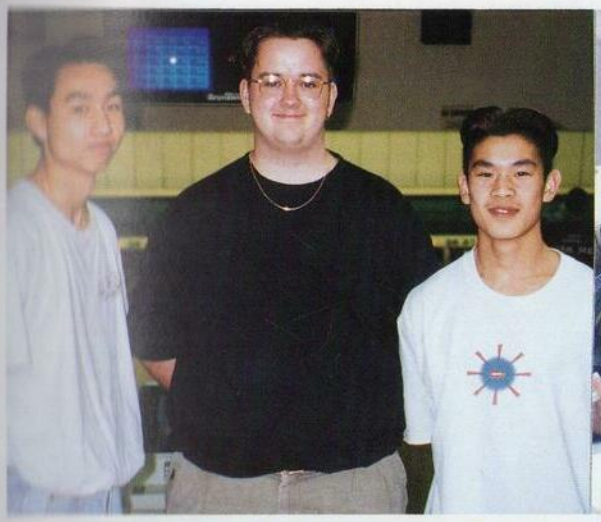


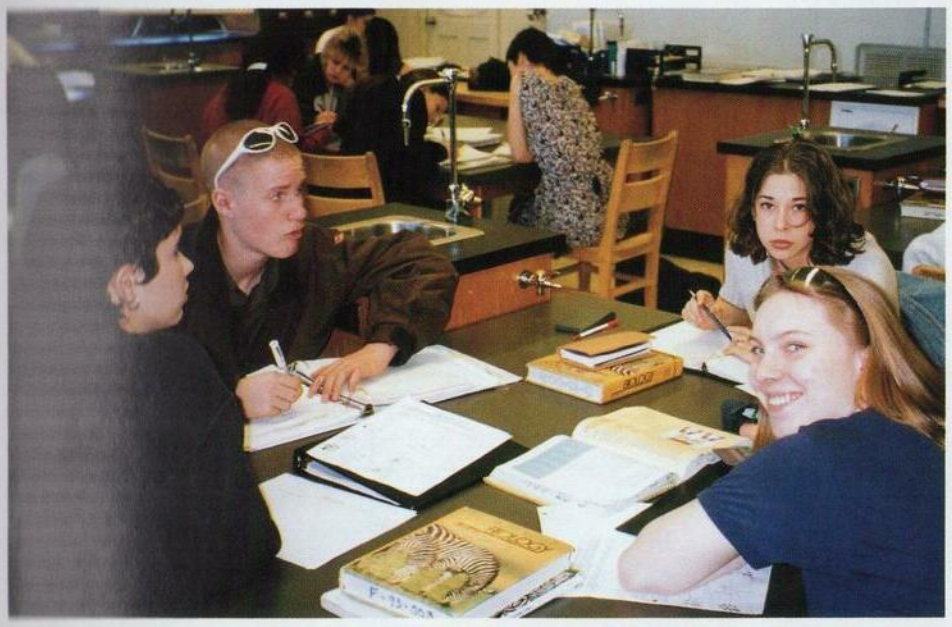
PALMA NON SINE PULVERE

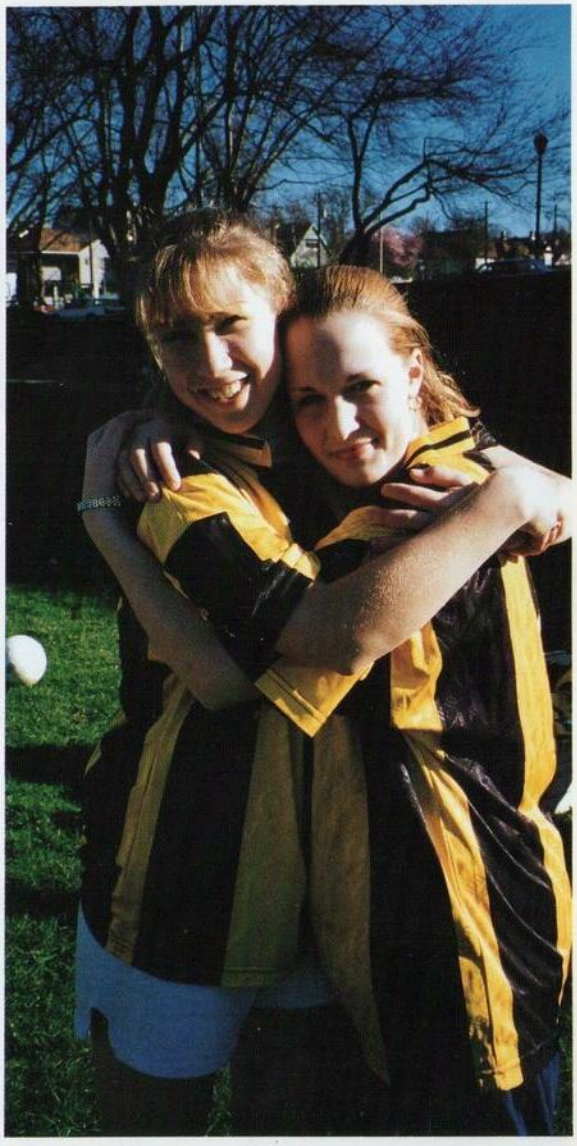
NO REWARD WITHOUT EFFORT

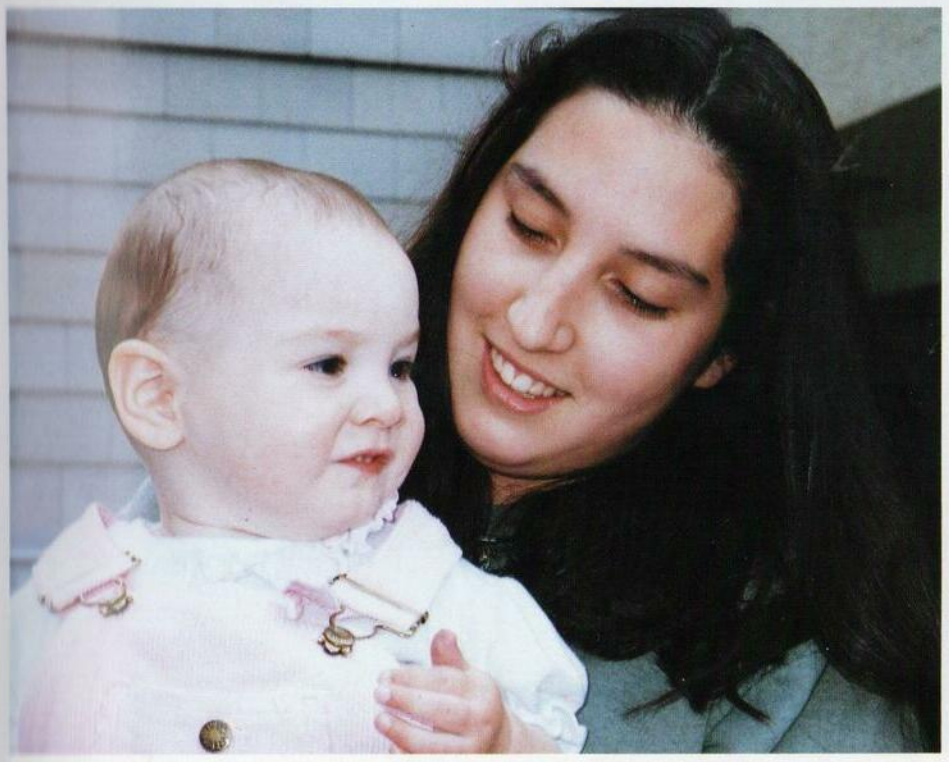
Our year of 1995-1996, our contribution of one year to a continuous history of 120 years, has imposed its stamp through the tangible evidence of our achievements and in a myriad of intangible successes not easily fixed in words. With an emphasis on positive social values, and a community attitude permanently in place, our dreams, our aspirations for both change and continuity echo and reverberate in our classes, our clubs, our committees, our events, our teams - in all our areas of accomplishment. Everyone of us can be proud of our contribution to this grand old school. *Palma non sine pulvere*: no reward without effort, rings clear in our accomplishments.

A visual record of all our areas of accomplishment is contained in this volume. Unfortunately, space and publication deadlines have hidden some tangible results, but never their memories. Special thoughts, final farewells - memories. Memory - that cherished gift of the mind that takes statements like "what came is gone forever every time" and "these times that'll not never come again", and fuses them into an eternity. An eternity that can be captured in a smile, in a photograph, in a frozen moment forever.



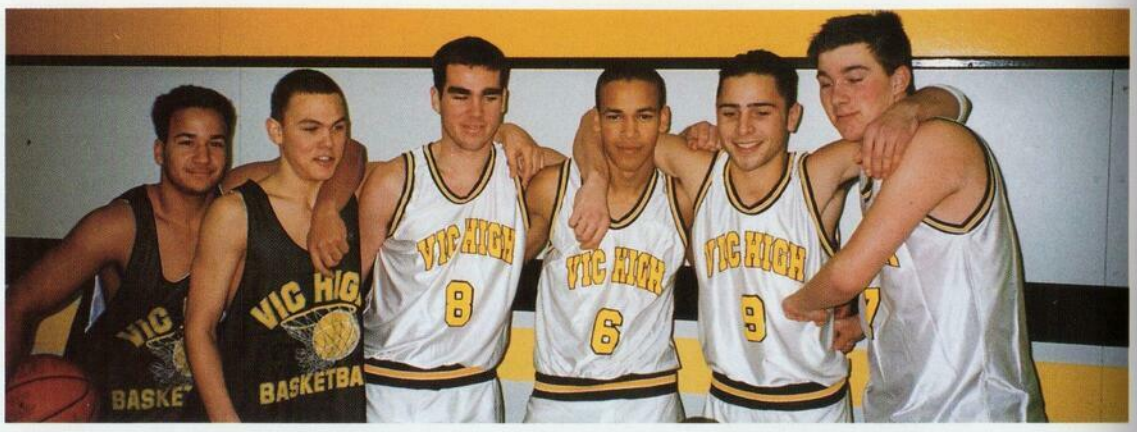






PALMA NON SINE PULVERE

NO REWARD WITHOUT EFFORT



At no time in our 120 years of excellence in education has any yearbook claimed to be a catalogue for past or future alumni of special status. Without fanfare our grand old school has produced more than its share of lawyers and judges, doctors and dentists, architects and engineers, visionaries and business persons, artists and religious thinkers, poets and skilled trades persons, musicians and politicians ... a diverse population from our varied clientele - a celebration of our differences. This years graduates will proudly begin their journey to stand among their predecessors. We will remember where we stood when student Salomeh Jalali and her family faced an unjust deportation from Canada. We will remember our jubilation when a just resolution to this challenge finally unfolded. We will remember that it is the size of one's heart and aspirations, and not one's lack of physical stature, that is one's measure of greatness - we will remember how Totem Jesse Smith, the smallest competitor with the biggest heart, stood alone on the basketball court at G.M. Place and with Vic High desire became the B. C. High Schools Slam Dunk competition champion; we will remember how Colleen Randall transformed a wealth of effort and desire into a treasure of post-secondary scholarship at a foriegn destination of her choice; and we will remember a plethora of Vic High dreams and desire overcoming challenge - we will remember our aspirations: we will remember our successes. And we will remember how hallways of brick and stone can echo and reverberate with evidence from over 120 years of *palma non sine pulvere*: no reward without effort. And our jubilation, our attitude for a lifetime, will in turn take its place for those yet to come.

Vic High
Classrooms

That special time in education when we all become responsible for fostering the investigation and analysis of problems and in formulating solutions...

We all have that special teacher...

Who in their own special way...

We embody 120 years of pride.

We all have that favorite class...

Those favorite classmates...

Those special memories...

We celebrate successes...

We take pride in our work...

We embody 120 years of excellence.

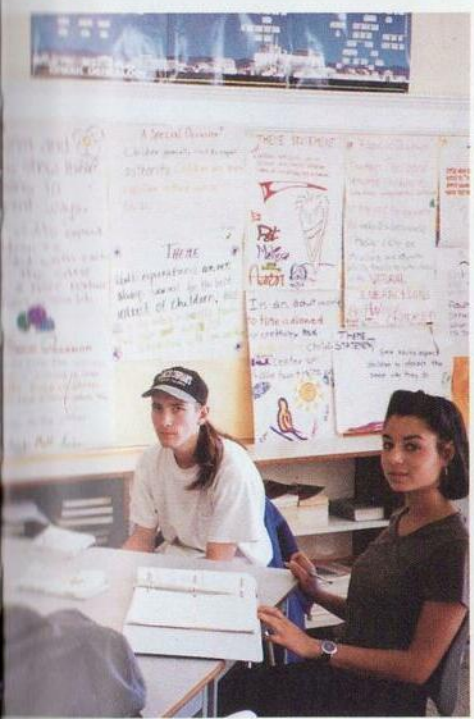
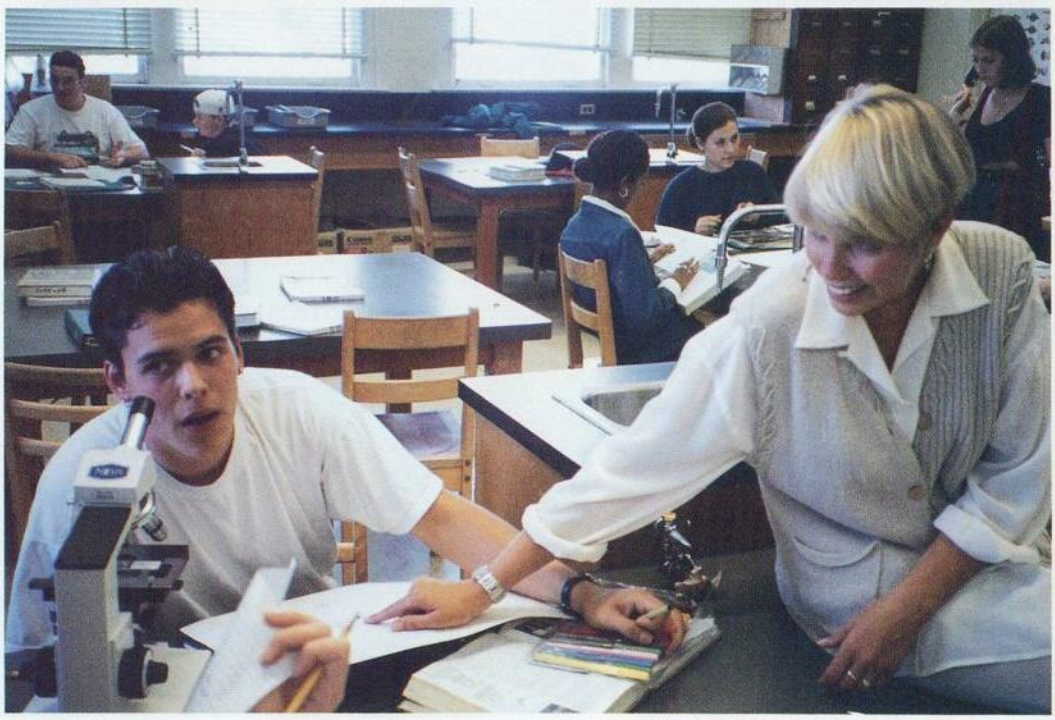
OUR ENVIRONMENT

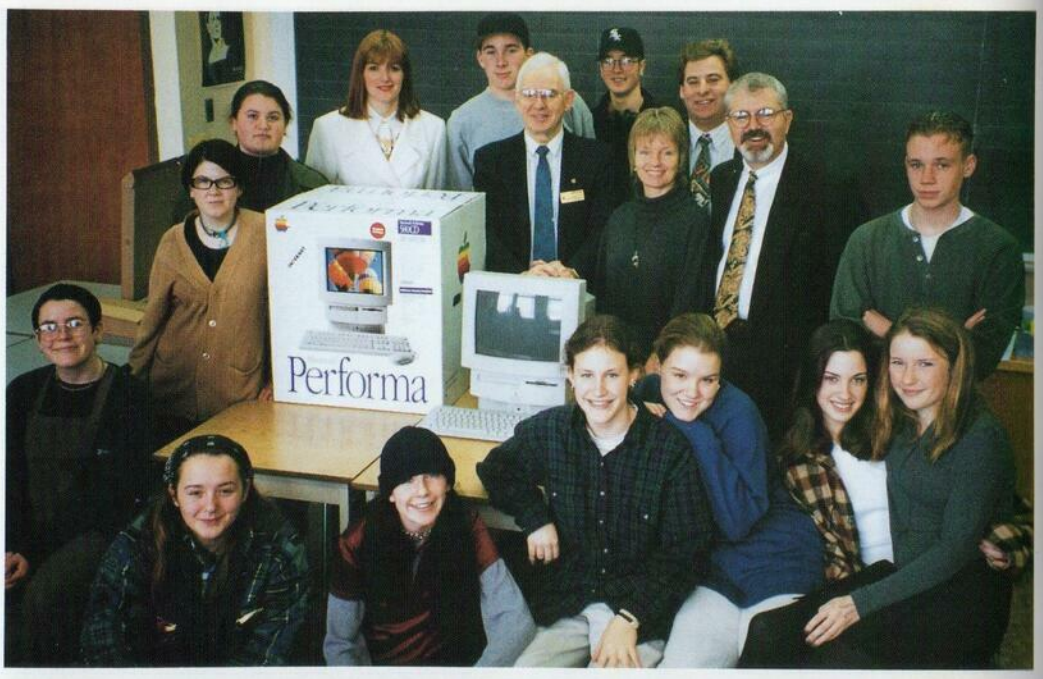




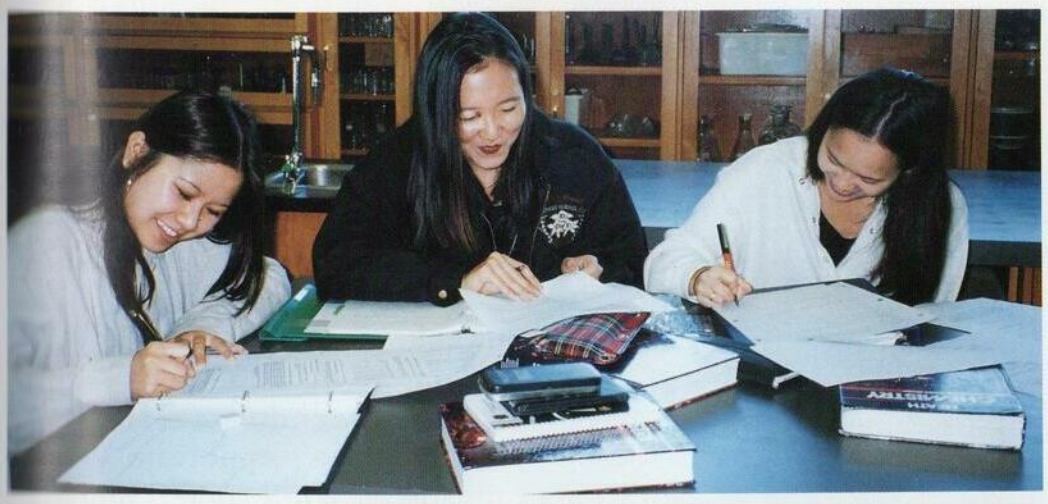
Our classroom efforts have rewarded us with community awards, with scholarship recognition, with lasting skills and friendships, with a better understanding of who we are and where we are going...

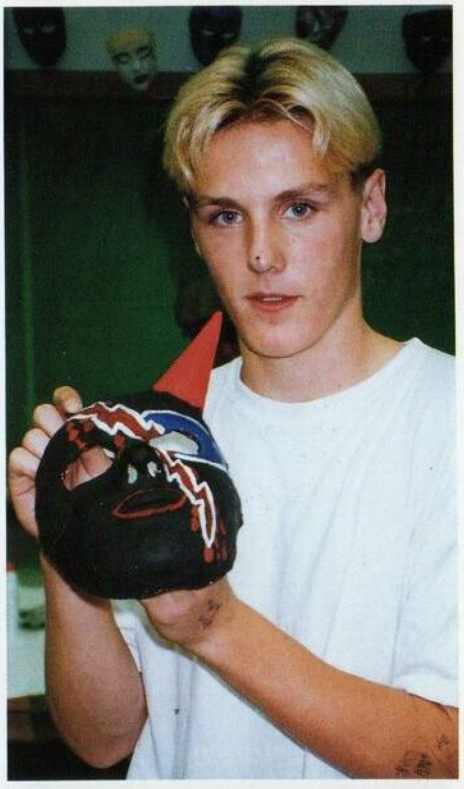
PALMA NON SINE PULVERE

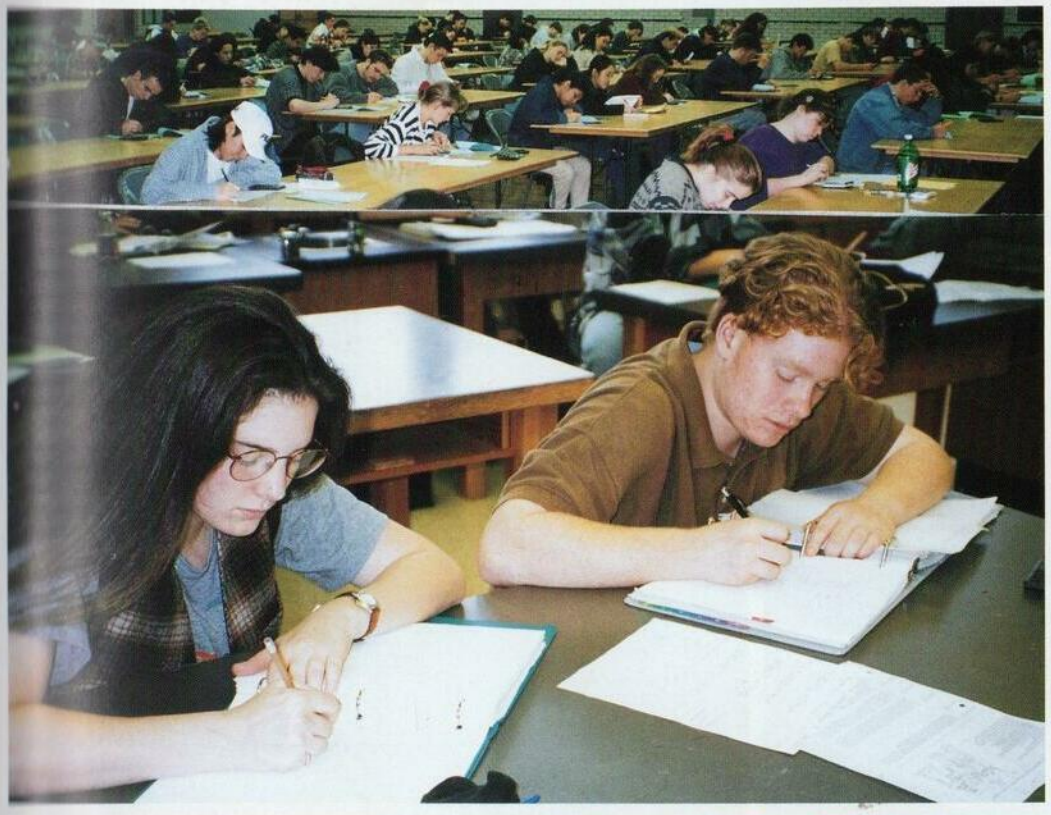
NO REWARD WITHOUT EFFORT

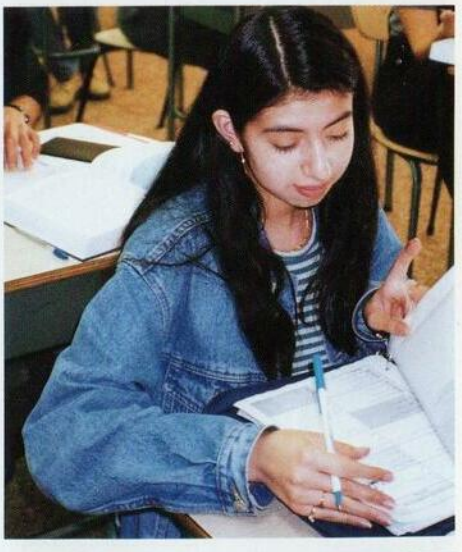


We embody 120 years of dreams. We embody 120 years of self-satisfaction.



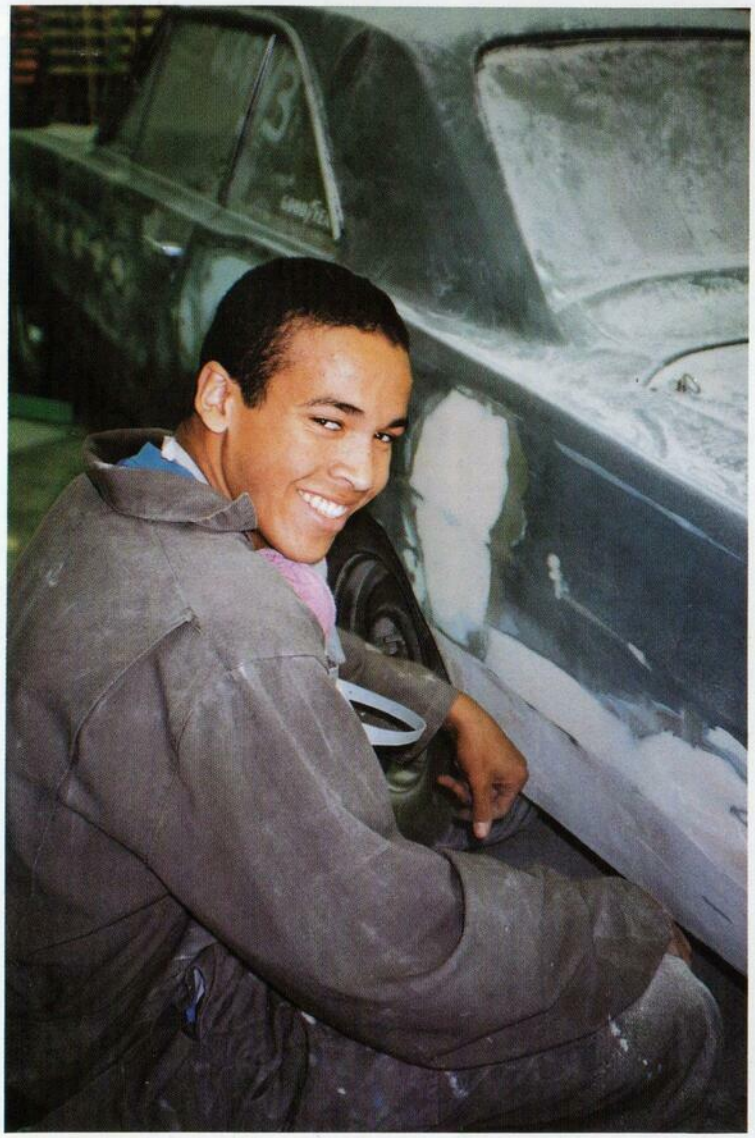


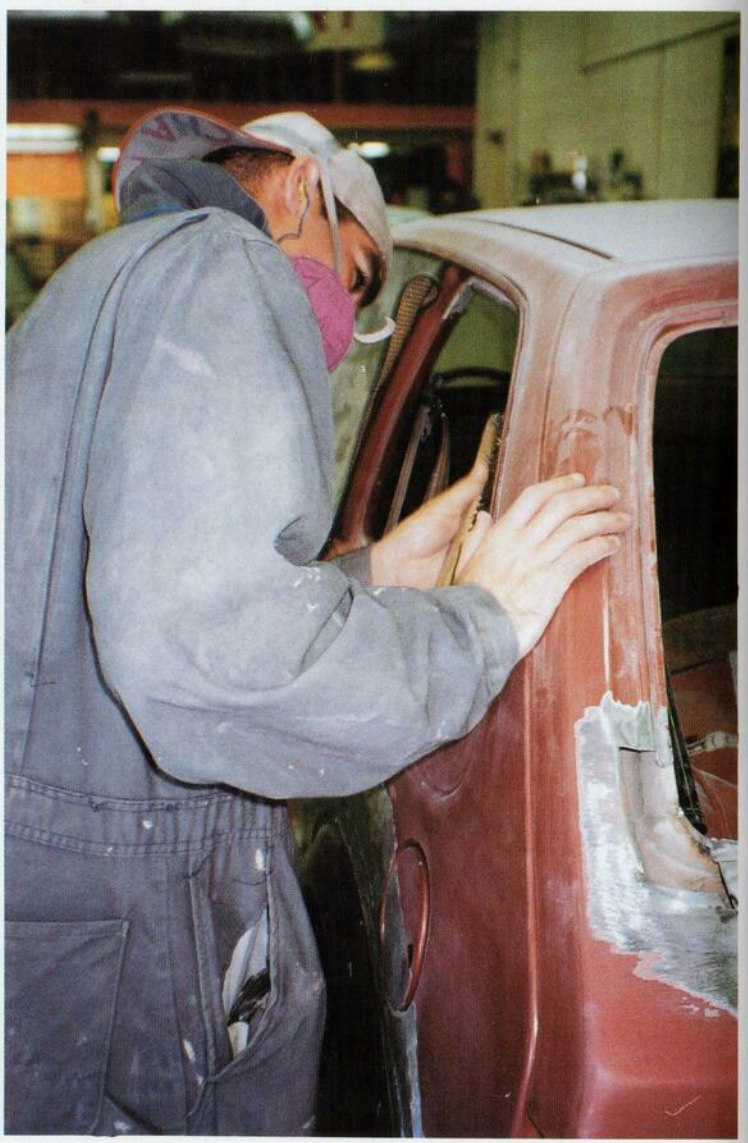




Fairey Tech: not just that other building.

Our Vic High motto *Palma Non Sine Pulvere - No Reward Without Effort* - is readily embodied by those who cherish the opportunities afforded to them within Fairey Tech. Our Career Preparation Technology courses foster and integrate interest with skills and ability. We have our dream cars and castles, we have the opportunity to build these dreams. While other schools only dream of providing relevant education to a diverse community and to life outside of school, Fairey Tech accomplishes this task every day.

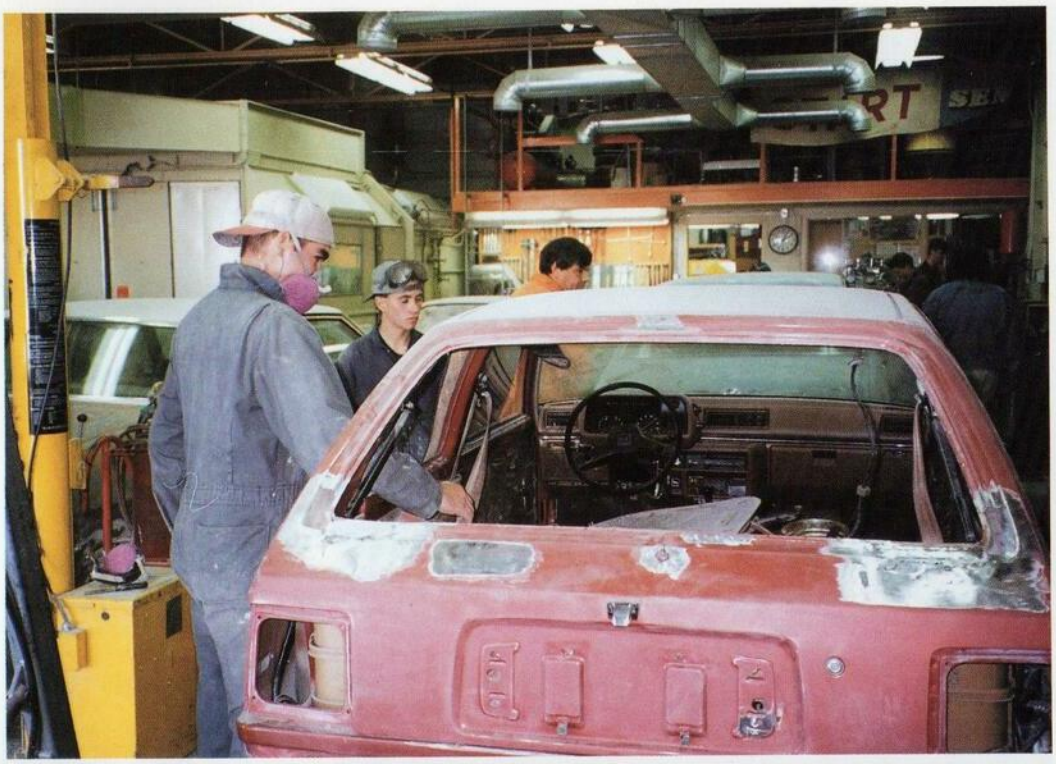


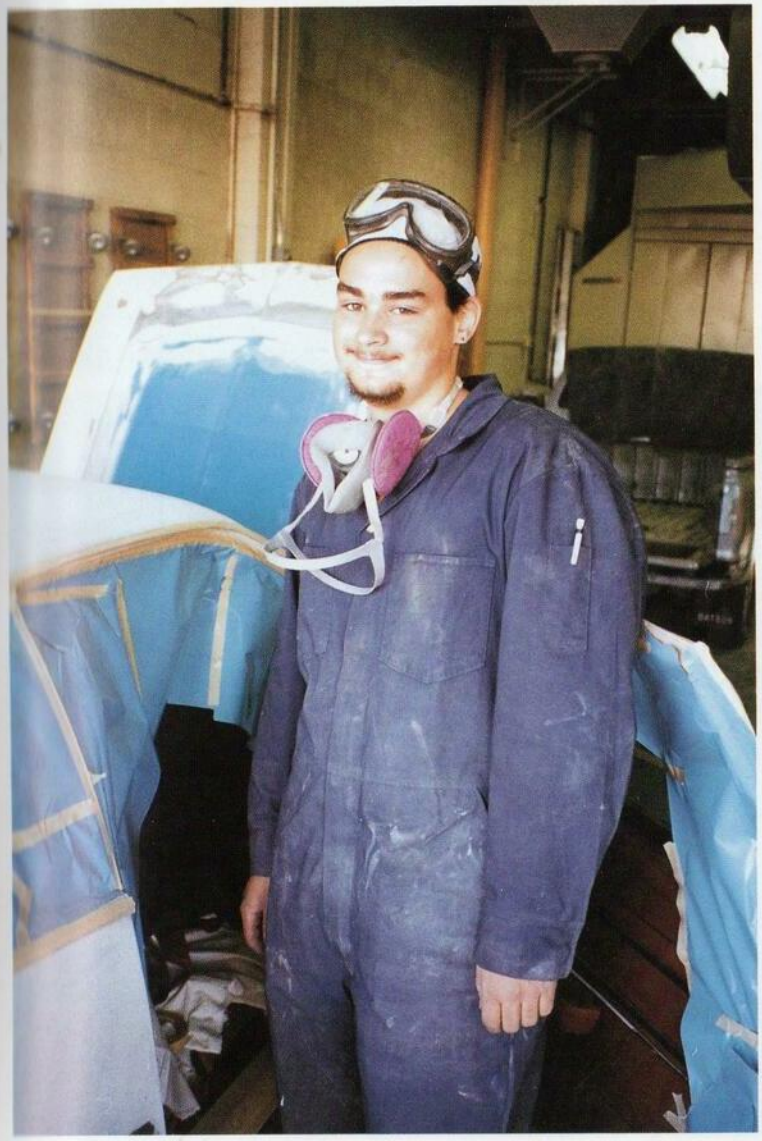


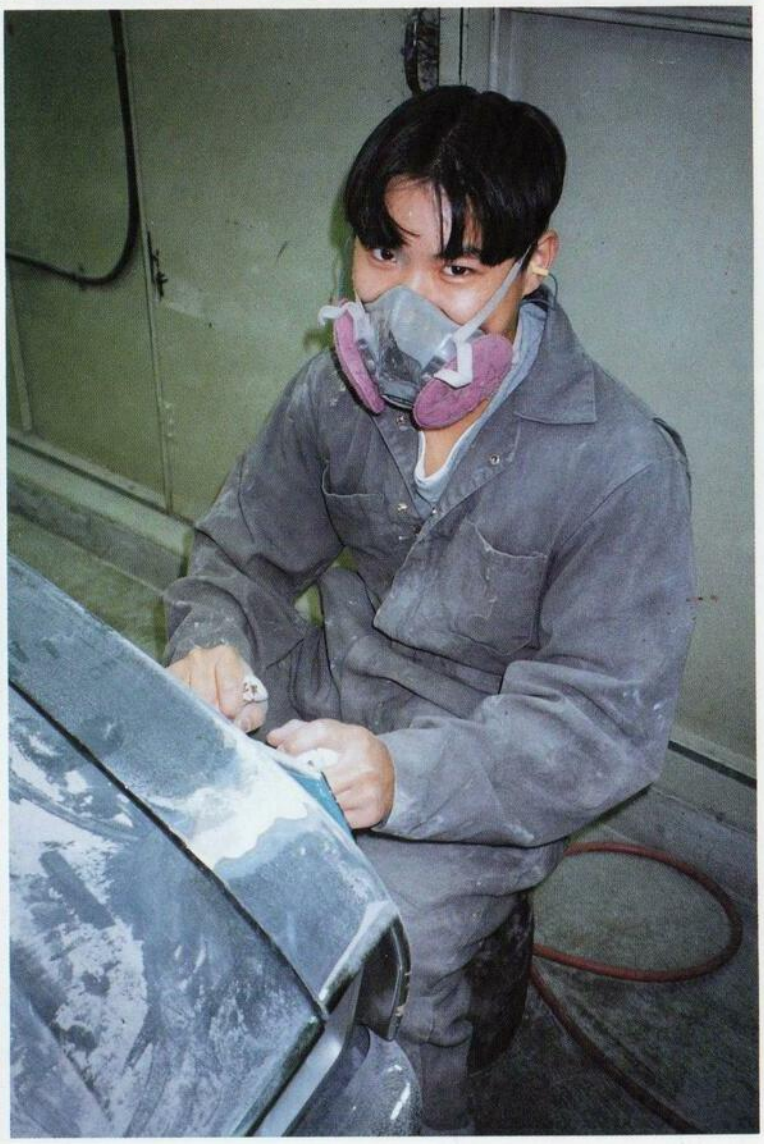
That dream car that I have always wanted is...

That dream wage that I can realistically expect is...

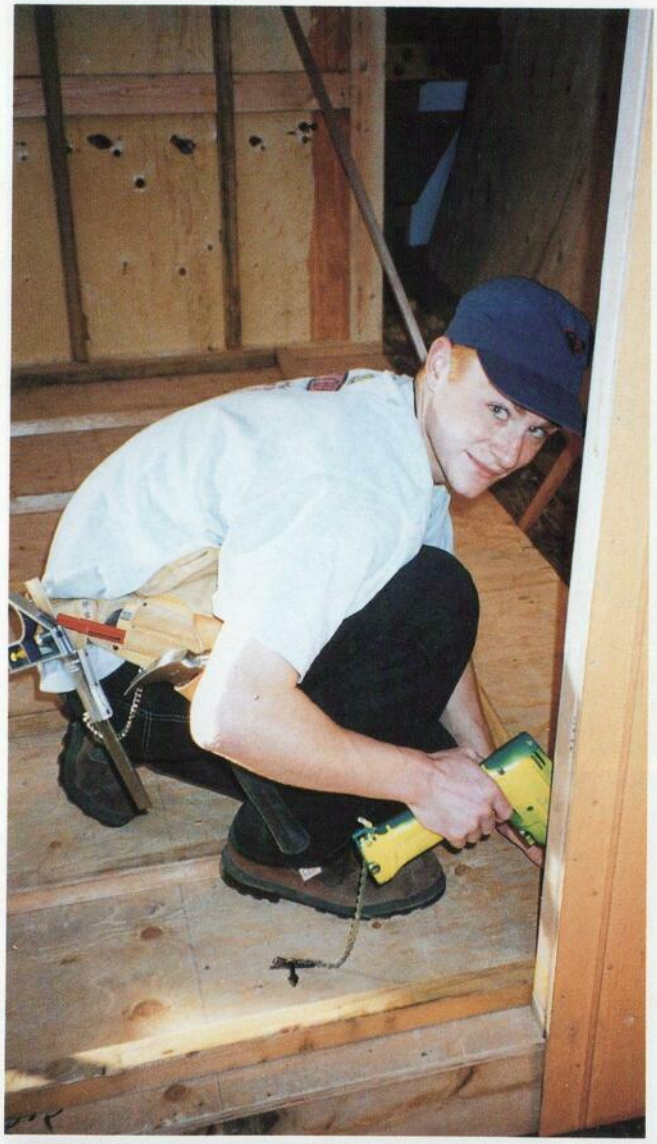
That Vic High dream person that I most want to spend my earnings with is...

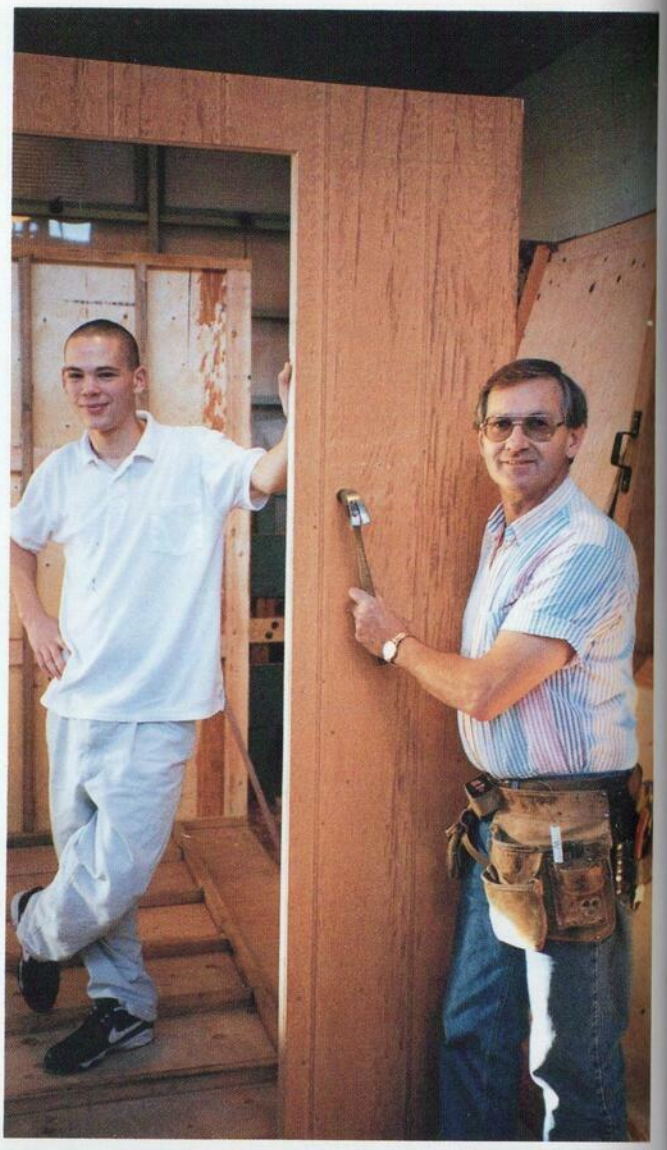


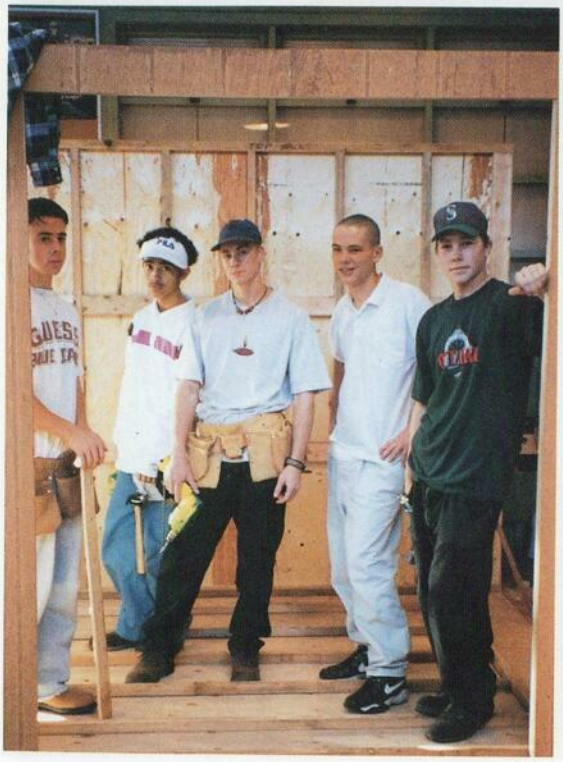


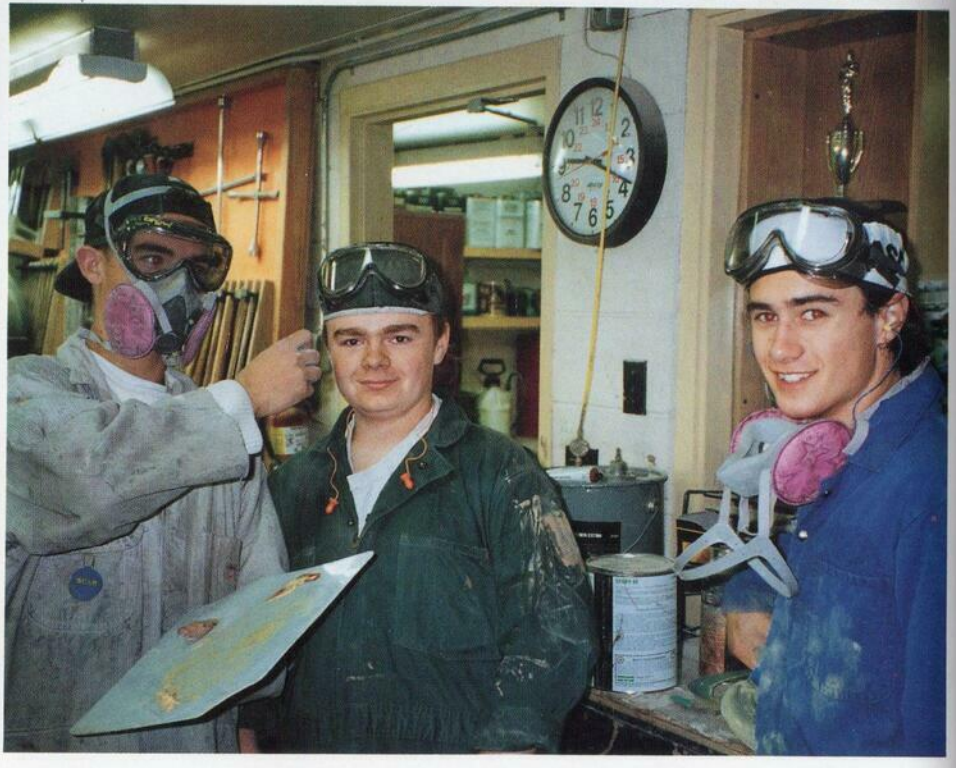


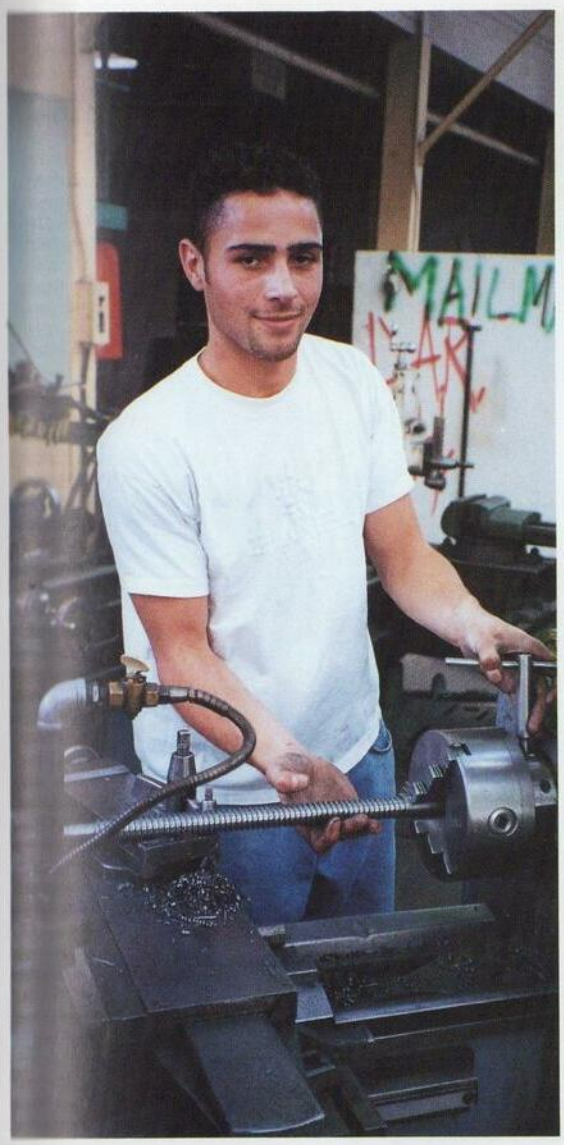
PALMA NON SINE PULVERE







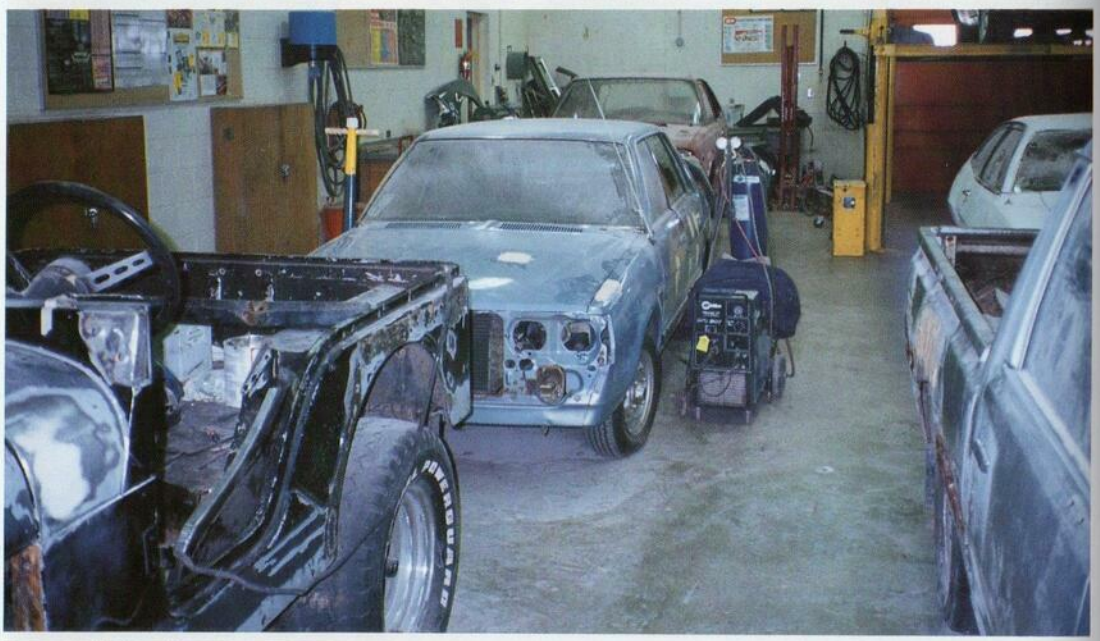


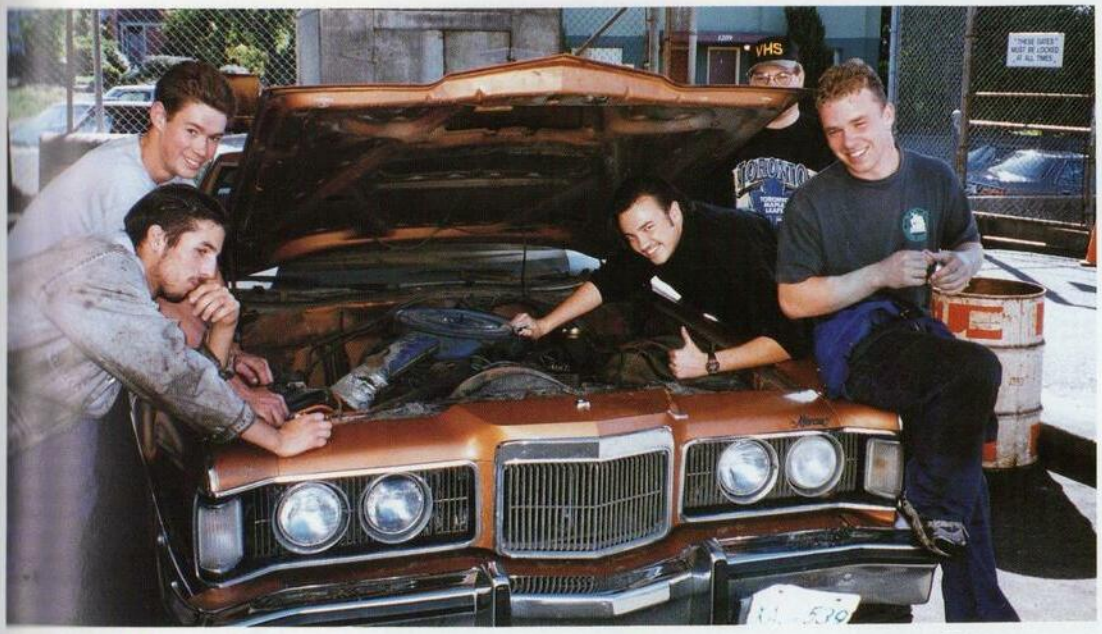


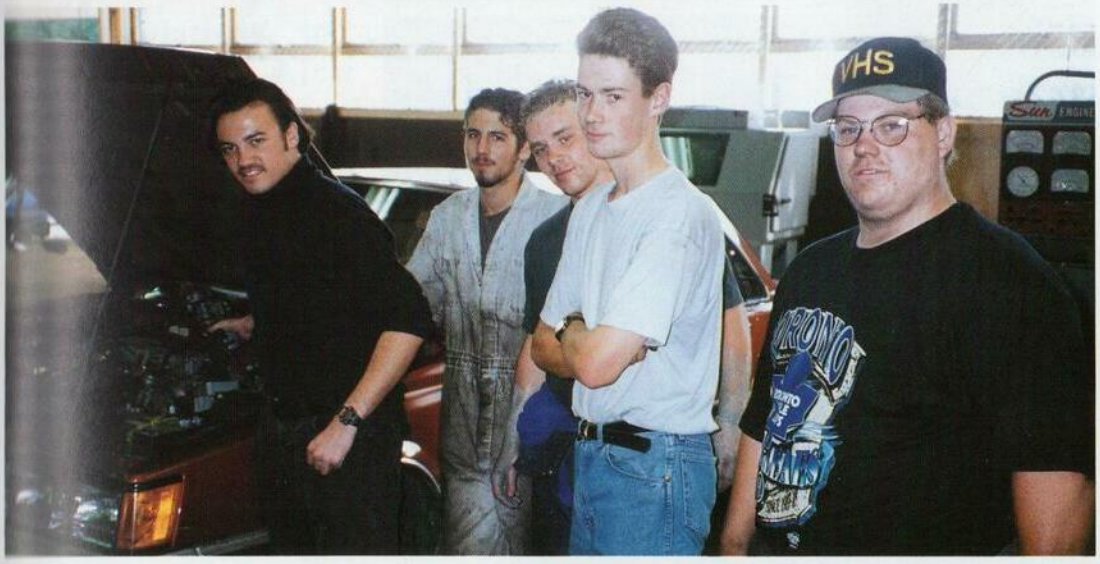
NO REWARD WITHOUT EFFORT

PALMA NON SINE PULVERE

NO REWARD WITHOUT EFFORT







Indicators of success are sometimes deceptive. What some my pass over as scraps others may nourish into that final gleaming shape. By achieving the highest professional standards in practical pursuits, and in accommodating the needs, aspirations and capabilities of each one of us involved with Fairey Tech, Vic High has truly fulfilled the vision of its founders.

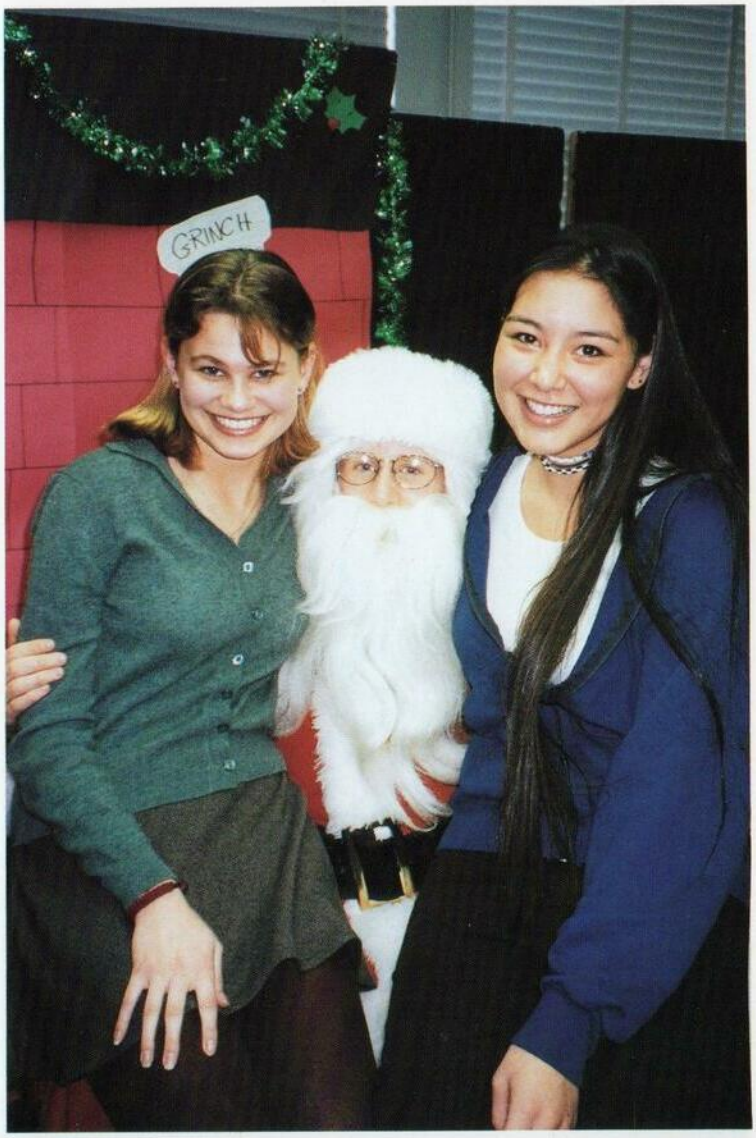
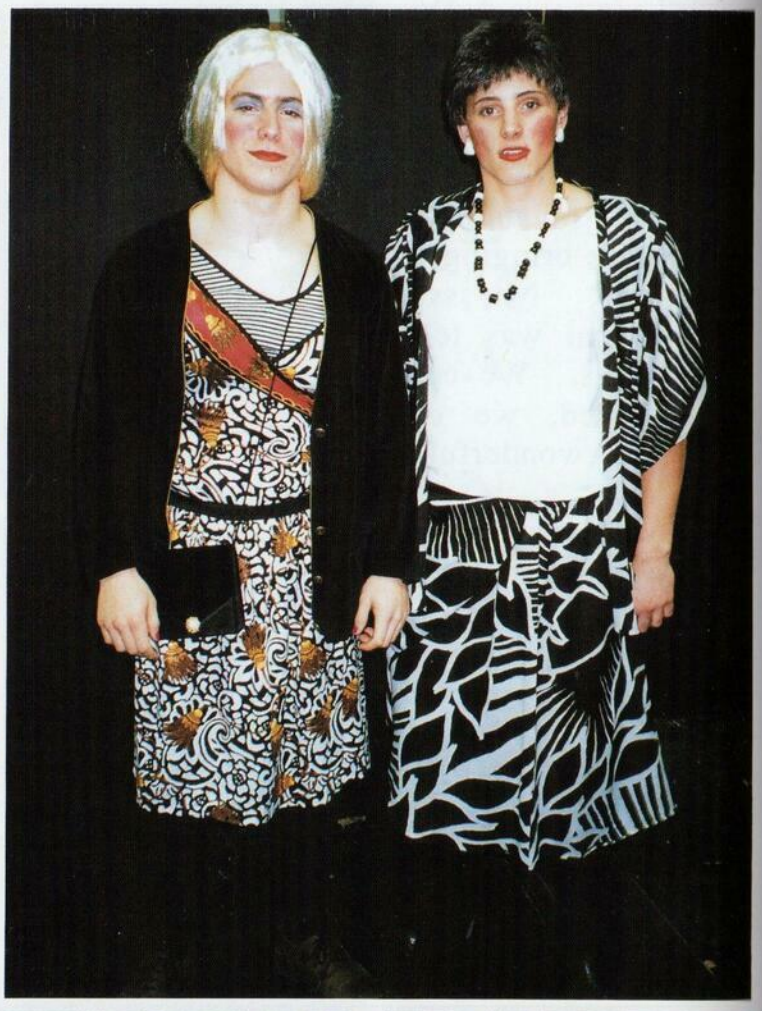
Vic High Student's Council

From leadership retreats to retreating from leadership, this diverse group from the full spectrum of our varied clientale spared no effort in bringing to us a wide range of activities. No issue was to controversial. No student was to unimportant. We could be serious. We could spread laughter. We breakfasted, we costumed, we decorated, we held wonderful events.

Congratulations to co-presidents Morgan Stewart and Alex Cameron, to vice-president Rishi Sandhu, to secretary Shayla Legacy, to treasurer Matthew Broadhurst, to co-social chairpersons Myka Beaudry and Saskia Humer, and to members at large Lucy Hall-Patch, Lara Craig, Alicia Brazier, and Rebecca Julseth for a very difficult job, very well done.



VIC HIGH HALLOWEEN



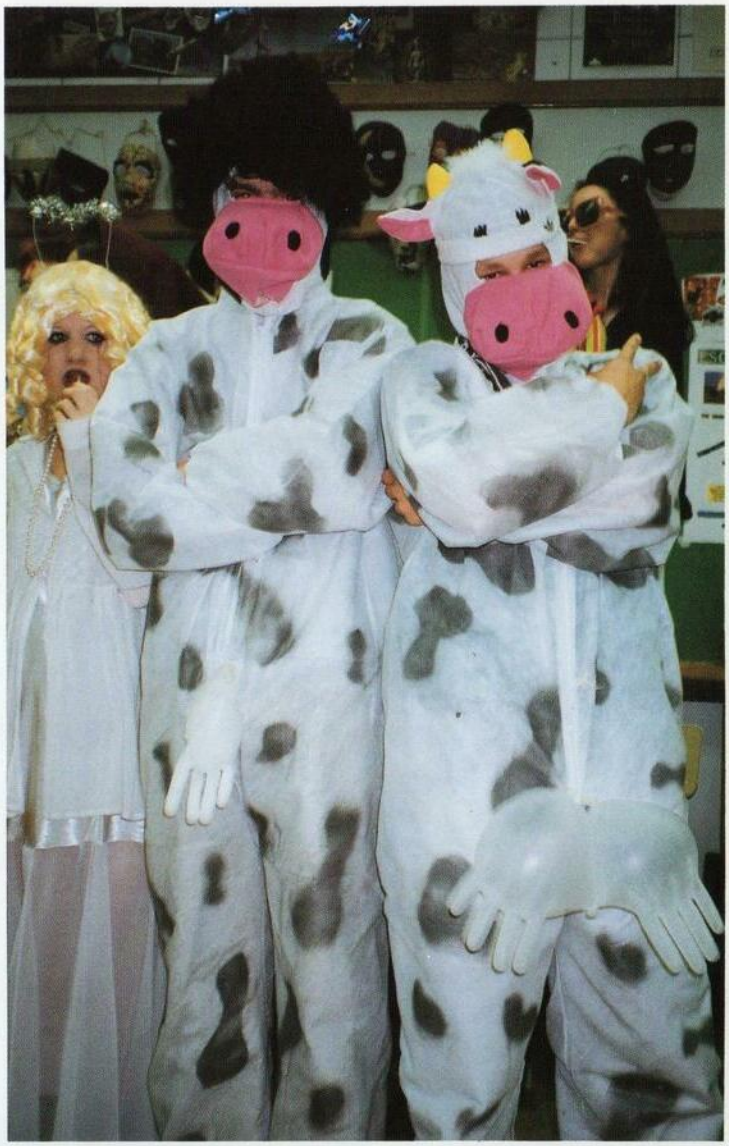
The really scary part of our Vic High Halloween is that allot of us dress this way all the time. We just acknowledge our individual differences in a more varied way. In an ongoing atmosphere of caring and acceptance it is sometimes important to examine just how varied a clientele we really are, and how flexible Vic High is in accommodating our needs. We see Salsa secrets. We moo on command. We roam the back hallways and howl at the fluorescent moon. We rush to get to class when the warning bell rings. Well, maybe just this once we were a little late.

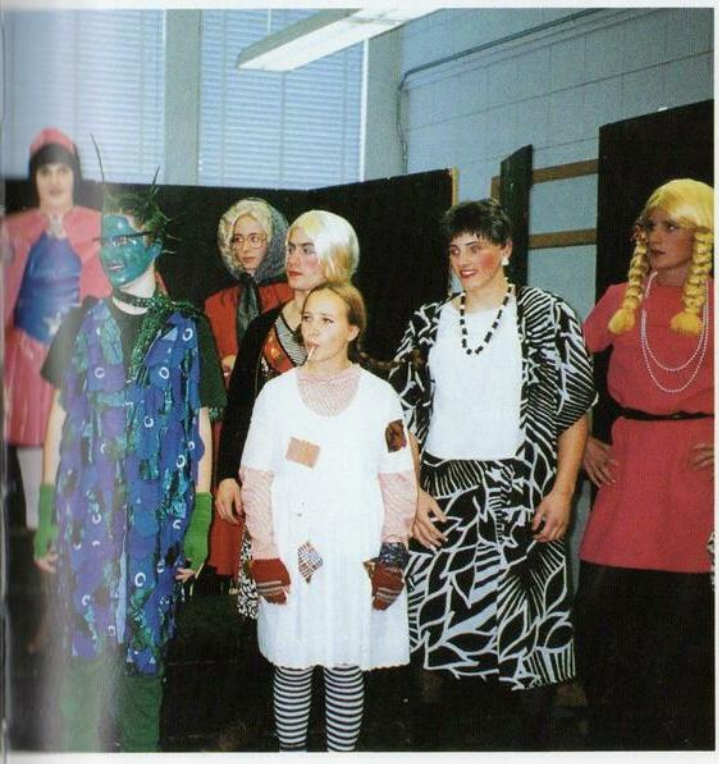
My choice for this years costume winner is...

The best Vic High way to dress is...

The best Vic High excuse for coming late to class is...

And if you think that Halloween at Vic High is just a one day fling wait until we celebrate our Christmas capers.





Our Special Gift...

VIC HIGH CHRISTMAS

That special gift that I have always wanted to give is...

That special gift that I have always wanted to receive is...

Those special people who are close to me...

Those special memories that we will never forget...

Christmas is that special time when we formally acknowledge that ongoing spirit of respect and caring for all. We share gifts: we share food. We share songs: we share laughter. We acknowledge the varied expectations of our multi-cultural community. We decorate our classrooms. Our doors. Our hamper boxes. We celebrate our own aspirations by giving to those less fortunate then ourselves. We always find ways to hug and smile: we just do it more openly in December.

Fine Arts Evening

That special time when students, staff, and community can come together for an evening of drama, dance, music, and visual arts... when skills that are learned for both now and the future - creativity, self-discipline, innovation, team work, and being open to change - are demonstrated and valued... when long hours of practice and performance prove worth the effort... when 120 years of tradition and dreams are proudly embodied by those who understand that physical, emotional, and social well-being are an integral element of both our School and our Culture.

Congratulations to sponsors Jackie McDonald and to the exceptional effort of her drama students, especially the full performance of *Sticks and Stones*; to Pamela Creech and her choir students, to the high energy of the Vic High Dance Squad, to Robin Steffanick and the gourmet atmosphere that the art students prepared, and to Eric Emde whose concert band and rock band embody the ethic that student effort increases student pride.

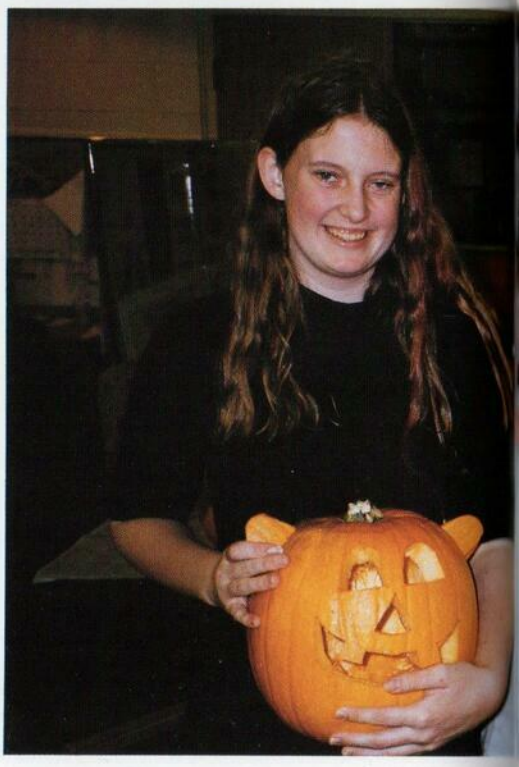
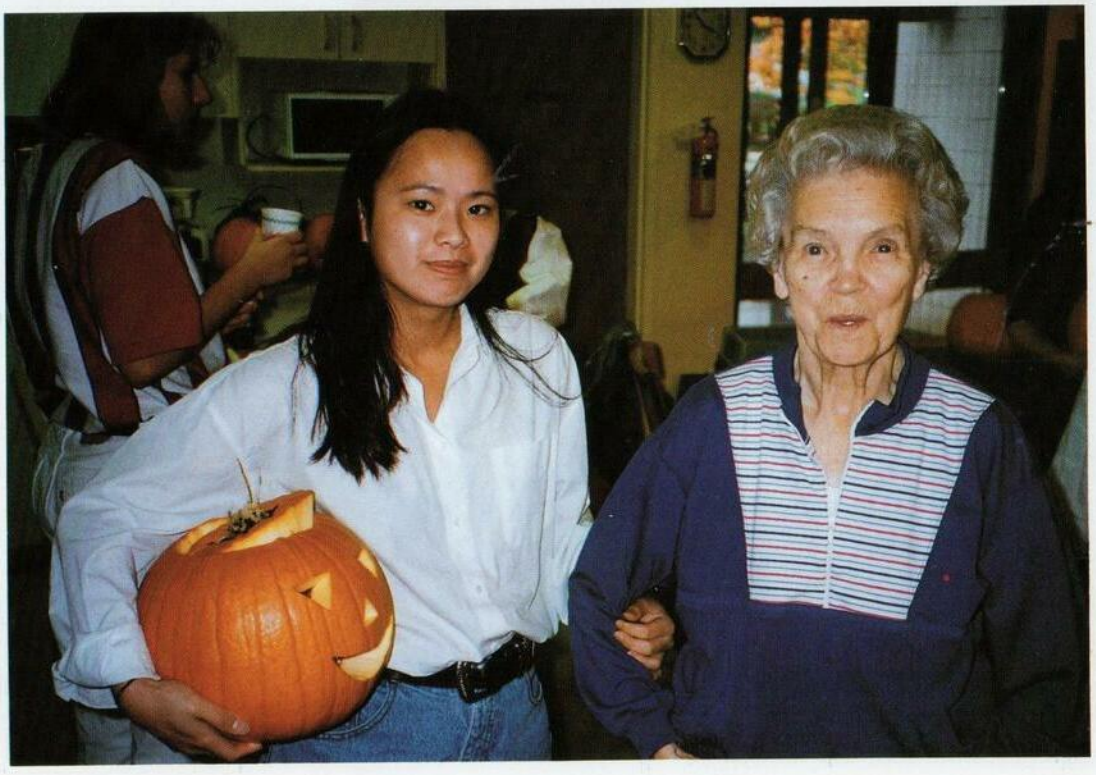
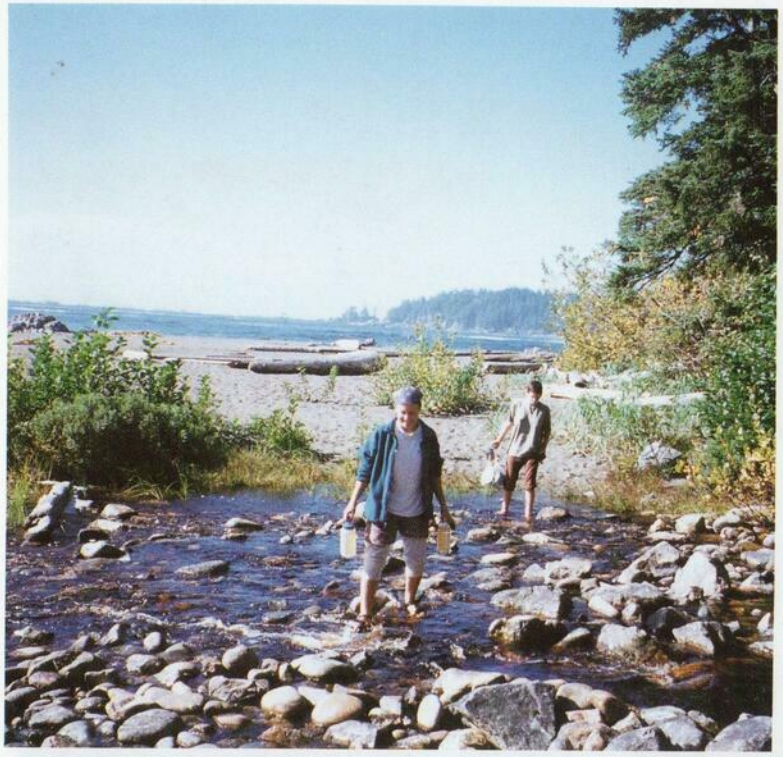
ATHLETIC

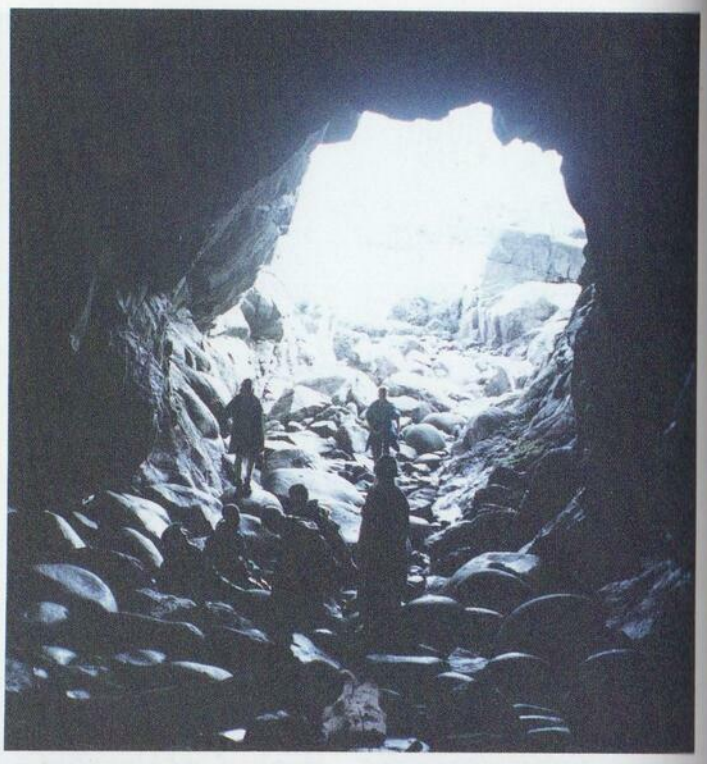


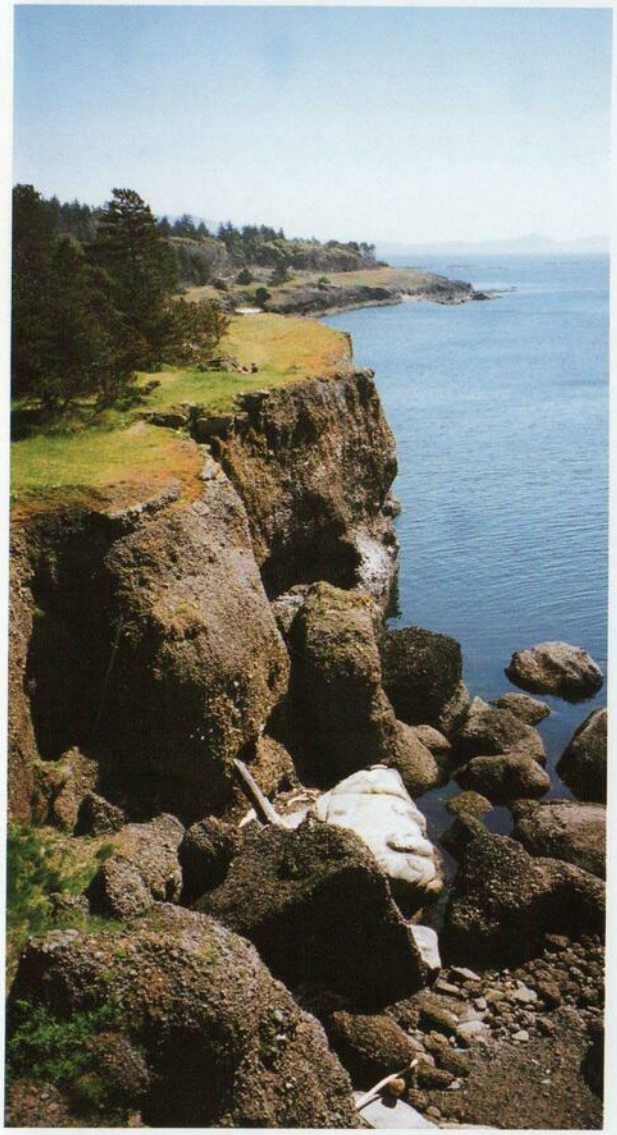
Sky Club

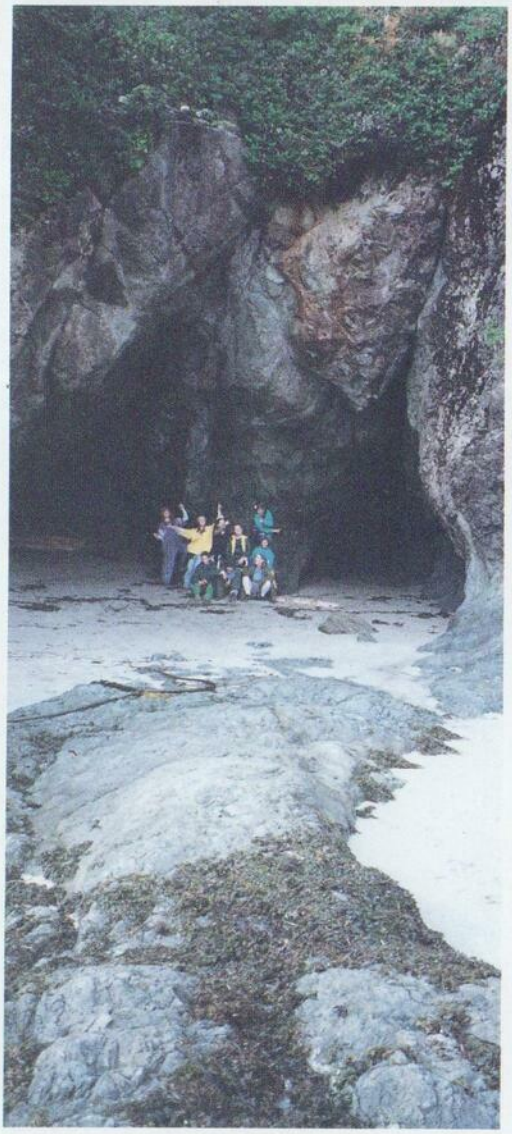
Education includes community. Our Sky Club embodies the very high standards of tolerance towards all people that Vic High enjoys. Under the thoughtful guidance of sponsor, Guy Chester, and the feelingful attitude of members like Magdelana Planeta, Meadow Dykes, Krysta Yan, Jenny Lee, Laurie Davies, and April Grant, this Club regularly demonstrates that their highest form of self-realization is experienced by their positive interaction with the elderly in our community. Sharing energy and youth with those who have earlier laid the foundations of our society echoes the philosophy of Vic High: while we impart knowledge and teach social skills, we believe the most important aspect of teaching for human development is that which results from a mature, caring relationship. Congratulations to these involved young citizens.

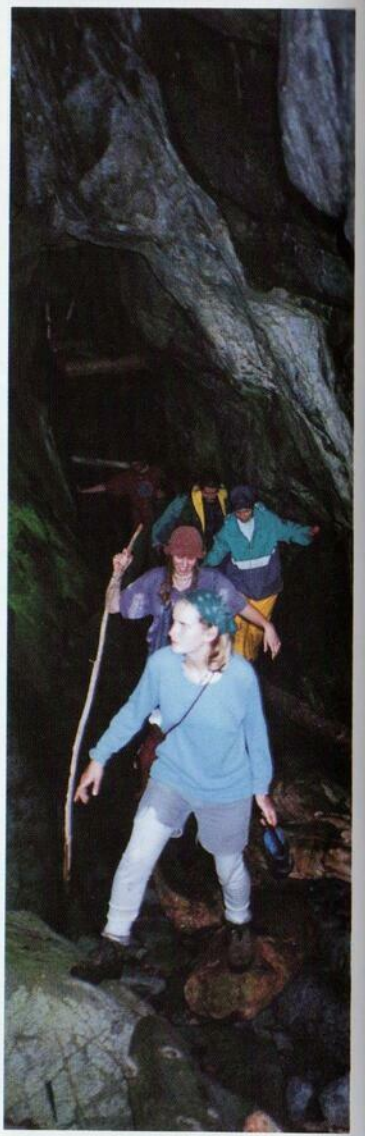












Outdoors Club
Art Club
Photography Club

During 1995-1996 our Outdoors Club, Art Club, and Photography Club covered all the wilderness corners of Vancouver Island and beyond. The magical moonlight on Mystic Beach in winter... the idyllic islands of Hornby and Denman in the spring... the pounding surf at Pacific Rim Park... the sepulchered seascapes at Cape Beale... the reclusive stillness of Raft Cove... the silent splendor of Cape Scott with its many gems of breathtaking beauty - San Josef Bay, Eric Lake, Nissen Bight, Nels Bight, Experiment Bight, Guise Bay, the Sand Dunes, and Cape Scott Lighthouse - ... all of these natural miracles were touched by Vic High footsteps. We walked together where land, water, and sky gently touch: in each special season: in darkness and in light: above, upon, and within.

Our special thanks to sponsor Robin Steffanick who always found the time and the means to take us to those secret places where dreams are born and fulfilled.

Congratulations to Club member Shayla Legacy for being one of four Canadians selected to the joint American/Canadian Student Conservation Association.

Fun, food, and frantic frenzy was fully enjoyed by all. A special thanks to the Student's Council, to Car Club members Chris MacDonald, Steve MacDonald, Josh Passmore, Christian Dann and Tsar Mclean, and to sponsors Arnie Davies and Ed Wignall for their combined efforts.

It was a season for developing field hockey skills for our seven newcomers: for our seven experienced players it was a season for improving skills. We were often more skillful than our opponents: we were unable to capitalize on all of our opportunities. This year's two captains, Ainsley Williams and Angie Pecorelli, provided leadership and encouragement throughout the season. Although we just missed qualifying for the City Championships, our bus rides were always the best, our cheers were always the loudest, and *Jonesie* always kept us well provided for. A special thanks to Mr. Jones and Ms. Kelly for their great coaching. Good luck to the leaving and to the returning Tomahawks. Sticks down girls! And always remember, "Vic High Tomahawks are the best!"

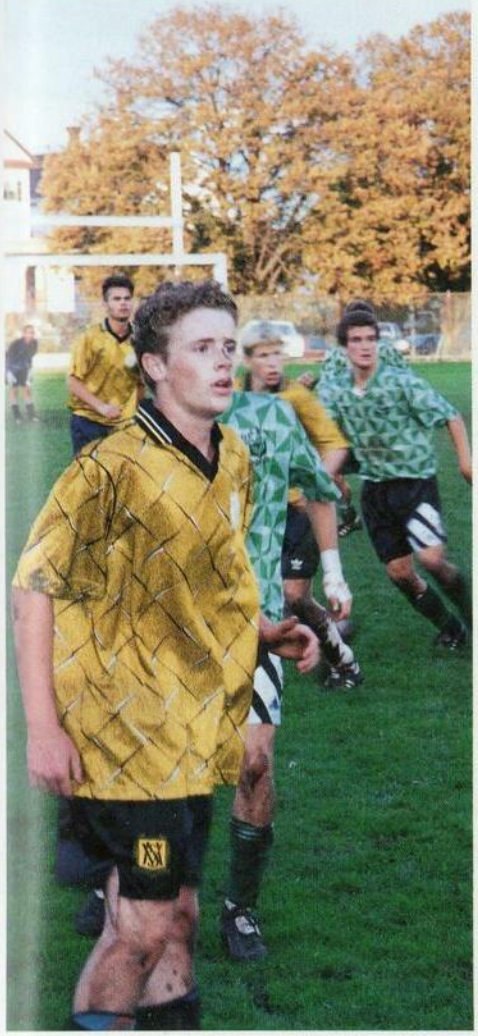
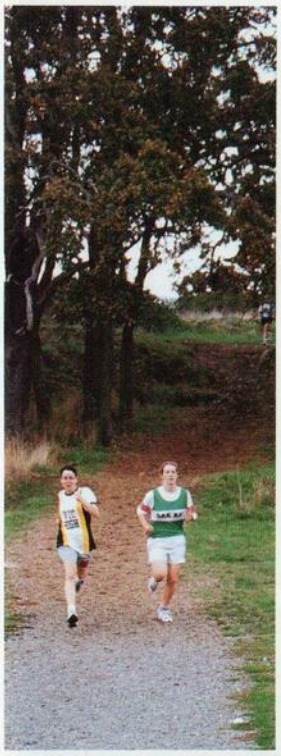
TYEES

Vic High Tyees had an extremely successful season - the best since 1980. We proved this by beating arch rivals Mt. Doug, Spectrum, and Oak Bay during league play and ending up second overall. There were many exciting moments during these games, but the most exciting was when Goran Bacic tied the game up with two minutes to go against Oak Bay during a play-off game. Unfortunately the game ended up with a loss which put the Tyees out of contention for the B.C.'s. Still the Tyees should be proud of their accomplishments - they represented Vic High well.

Congratulations to Peter Denby, Tomas Ernst, Bob Vu, Jason Smith, Adam Foster, Obie Wilkins, Srdjan Music, Steve Chapman, Andrew Wyeth, Ryan Shephard, Craig Girard, Andrew Tuttle, Aaron Grayson, Clayton Taylor, Matt Haddow, Nathan Wood, Dale Hemeon, Sam Ramsden, Dylan McMicking, Goran Bacic, and Patrick Pettman.

A special thanks to coaches Craig Girard and Peter Denby, to their many hours of dedication, to their excellent knowledge of the sport - keepers of a proud tradition: the Vic High Tyees.

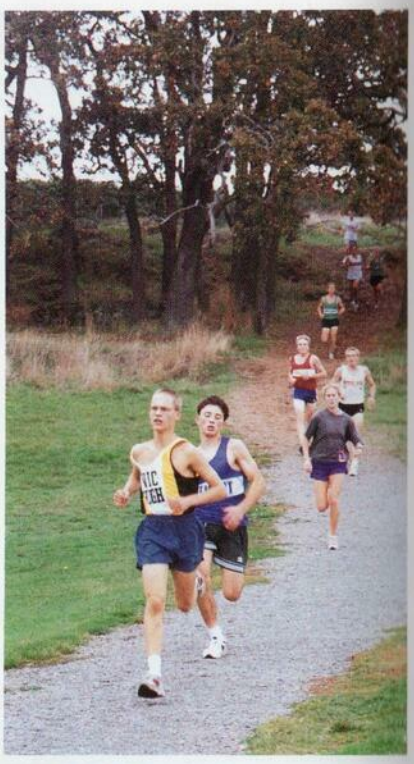


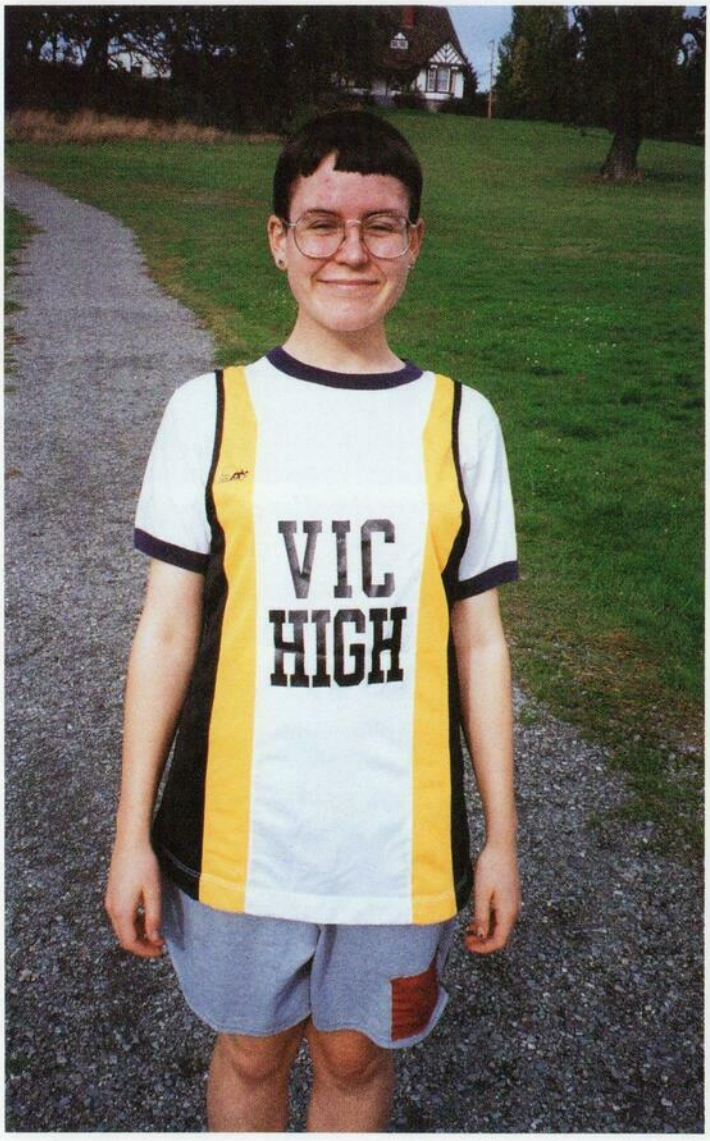


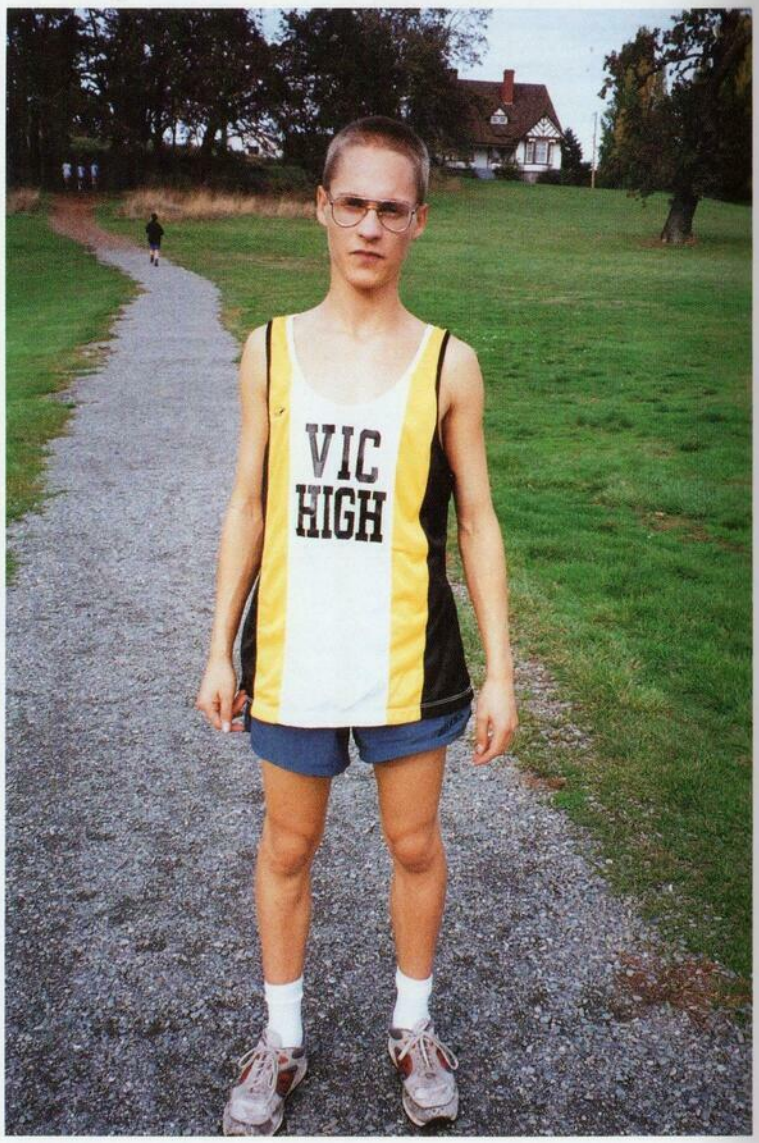
VIC HIGH CROSS COUNTRY

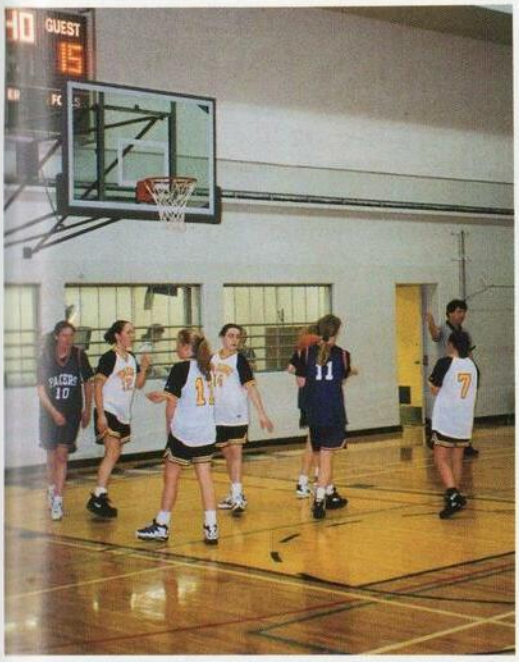
Lucy Hall-Patch and James Remple were our cross country runners this year. They participated in six league races during the fall, turning in very consistent performances. James finished in the top ten at each race. The Island Championships at Beaver Lake saw James finish in the top twenty-five runners, thus securing a berth to the B.C. Championships in Abbotsford. There he represented Vic High very well with a strong top fifty finish out of three hundred seventy province wide runners. Congratulations to Lucy and James for a job well done!

A special thanks to sponsor Linda Allison whose cheers and always positive patience made any cold muddy trail a pleasure to run on.





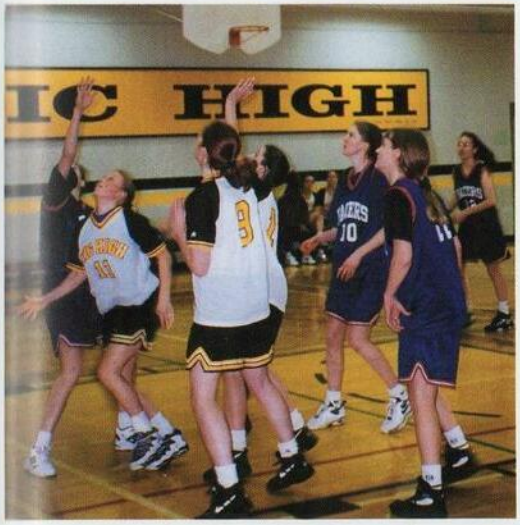


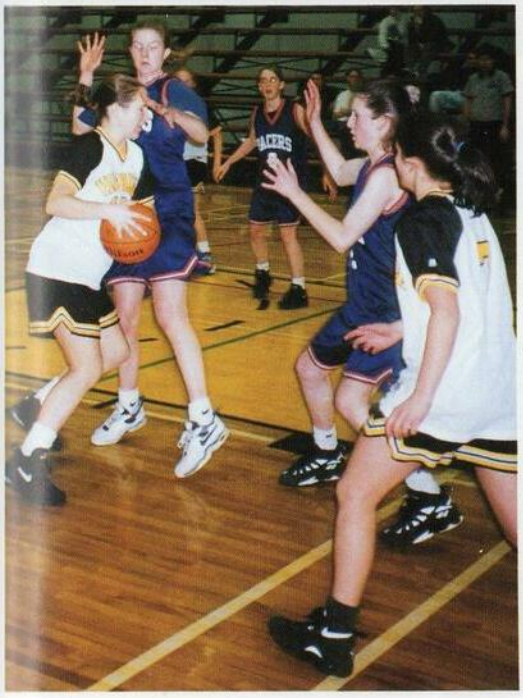


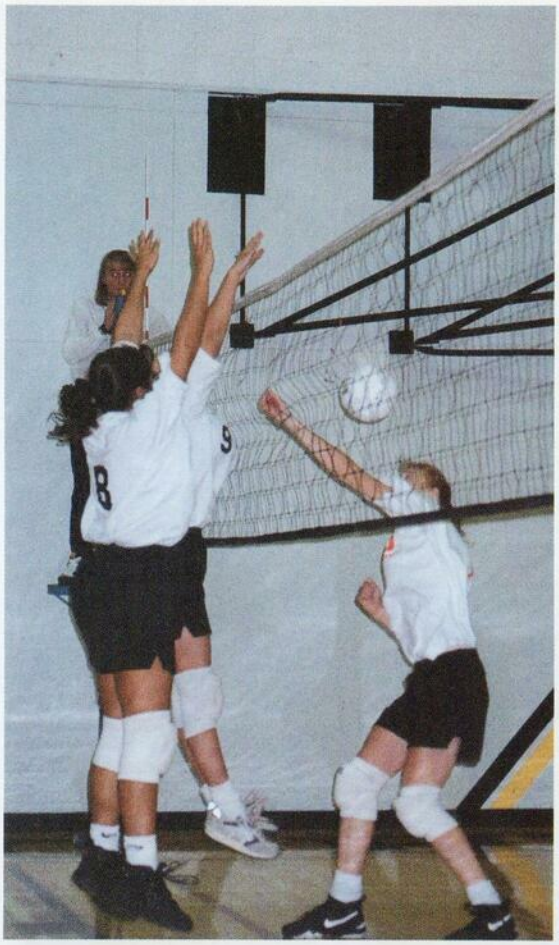
VIC HIGH TIGERS

Congratulations to all the Tigers - Emily Charlton, Dawn Maurice, Shannon Martin, Kate Adams, Alicia Brazier, Tracy Martin, Lindsay Wait, Carrie Housty, Brandi Harris - for an exceptional season. If the size of their hearts, their enormous progress made, their intense determination, and ability to enjoy themselves was to be this eager team's measure of success than they truly experienced an undefeated season.

A special thank you to sponsor-coach Donna Blackstock whose many hours of dedication allowed this years Tigers to grow both as a team and to realize that self-improvement is the key to success.

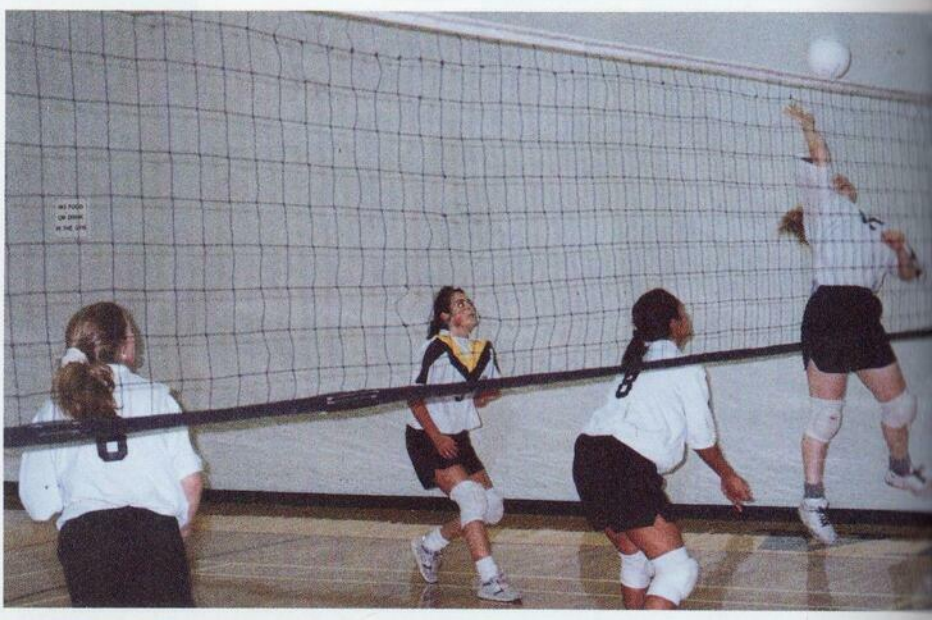


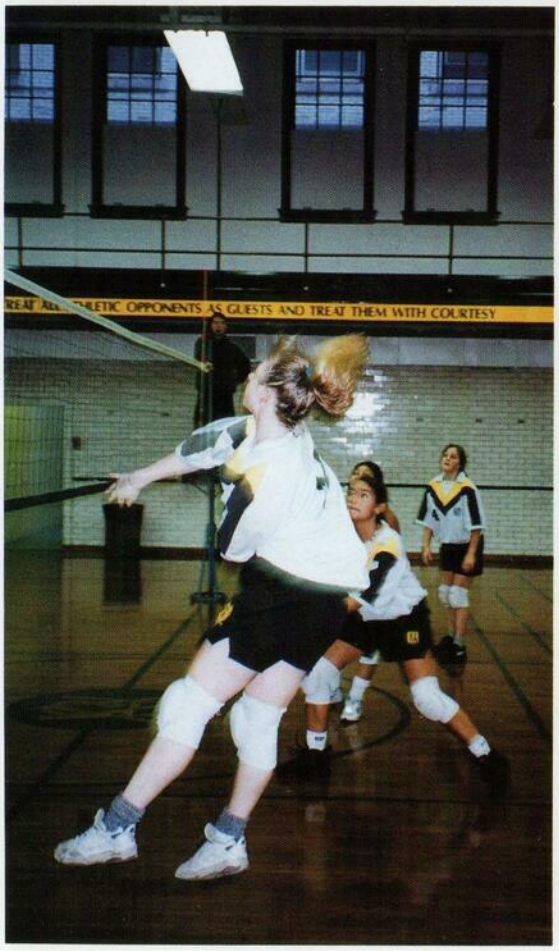


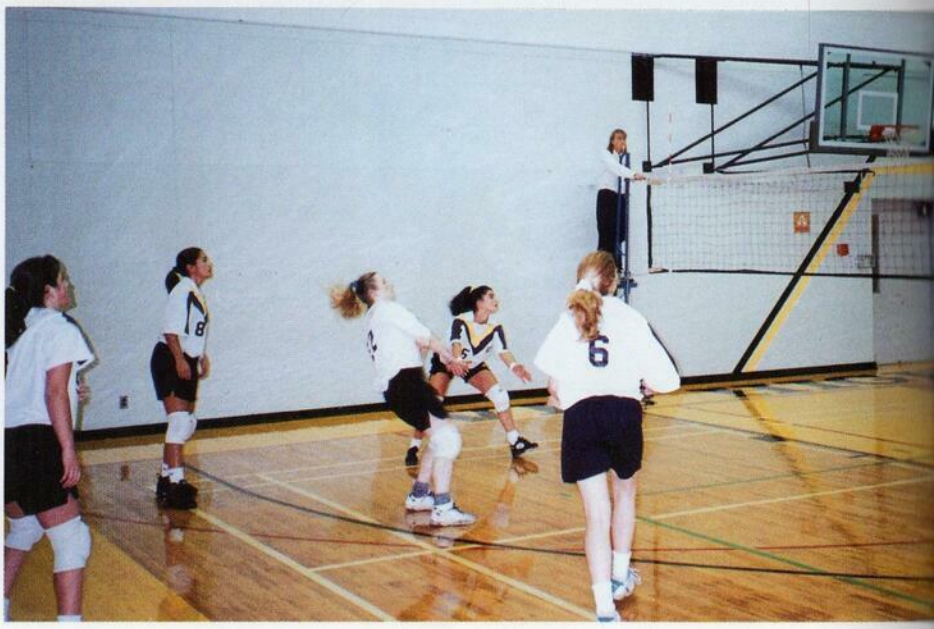


With only two returning players, it was bound to be interesting to see who was at practice on September 5th, the first day of school! From six on the first day, our numbers grew to ten and we were ready for an action packed season. This year we had a record 16 teams in the league and the Tikis played well enough for a 5th place finish. In the AAA Lower Island Championships it was a great battle among the top 4 teams. Vic High finished 4th and we were the only team to beat 1st-place Belmont. Then it was on to the Island Championship at Oak Bay. When the dust had settled we stood in 7th place.

Tournaments on weekends are always a highlight for the team. We travelled to Nanaimo for the Malaspina College tournament, played in the Saanich Police tournament, and hosted our annual tournament at Vic High.







Congratulations to Donna Blackstock, Nicole Stec, Paulina Gaete, Leah Lee, Kristina Compton, Lauren Froste, Dawn Maurice, Luisa Duran, Crystal Carpentier, Allison Churcher, and Jen Strickland.

It was a fine season for our Vic High Tikis! Our special thanks to coach Donna Blackstock. Her dedication to us is living proof of this former Vic High Grad's embodiment of 120 years of proud tradition.

Our Island Champions

TSASQUATCHES

Congratulations to Dennis Rogers, Aaron Nutting, Jamison Wheeler, Steve Chapman, Adam Lee, Klaudia Borbely, Yousuf Muhammad, James Rempel, Chan Thor, Tuan Nguyen, Bob Vu, and Corben Winfield for perhaps our most successful volleyball season ever. Our Tsasquatches finished first over-all in the City Championship, second in the Island Championship, and fifth in the Provincial Championship. Consistent effort, patience, and a desire to perform competitively at the highest level allowed our Tsasquatches to achieve the recognition that they fully deserved. Aaron Nutting was recognized as the Island's most valuable male volleyball player, and together with Tuan Nguyen and Jamison Wheeler formed the basis of the Island All-Star team. Aaron also made the Provincial first All-Star team. A special thanks to the many hours donated by sponsor-coach Dennis Rogers, and to Denis Harrigan who took the time to accompany our Tsasquatches to the Provincial Championship.

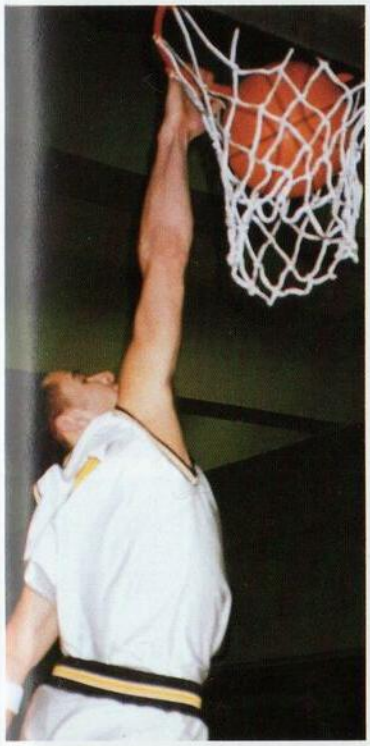
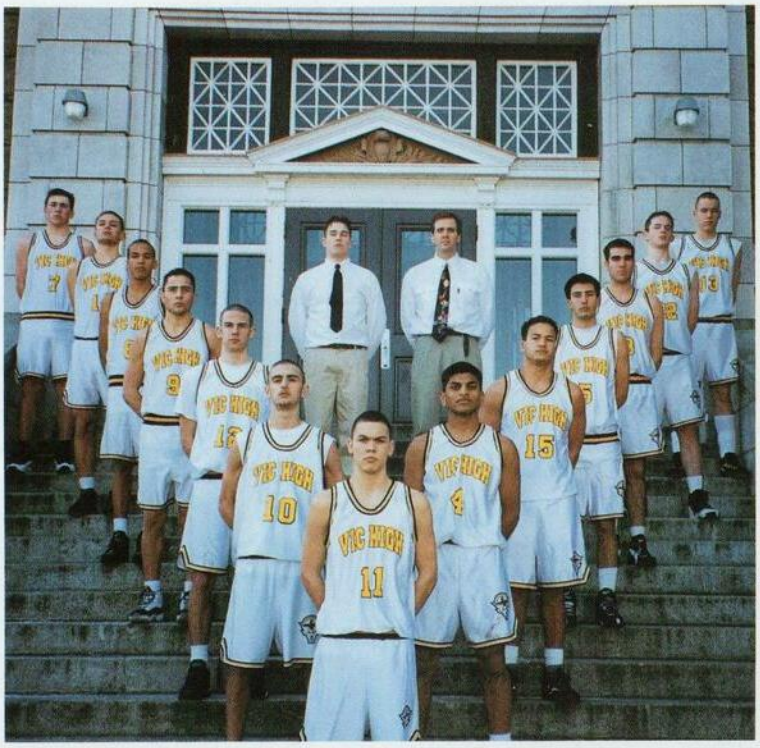
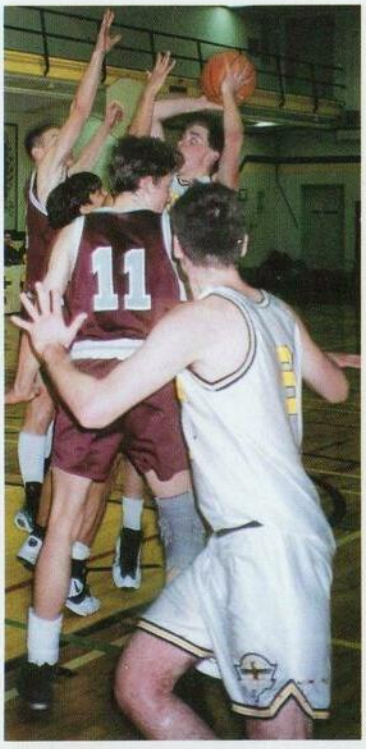
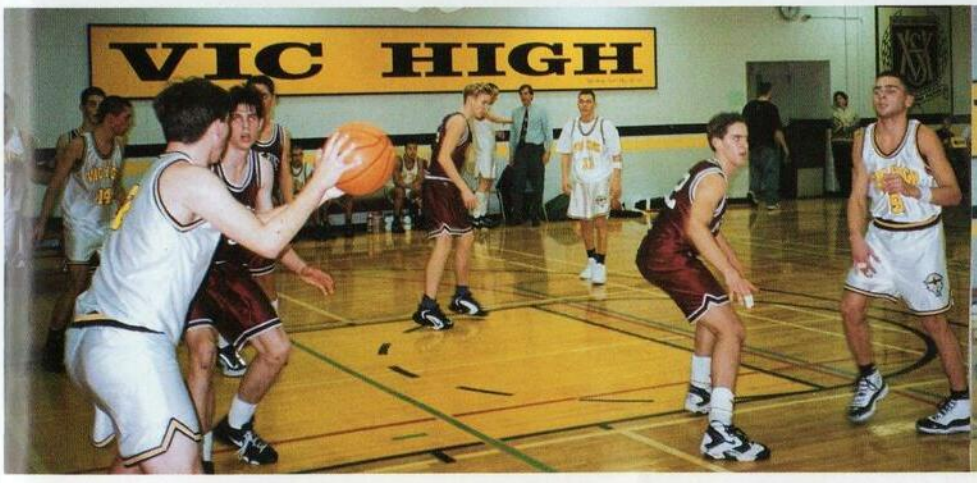
TOTEMS

This has been a very exciting year for the Vic High Totems, perhaps the most successful year of basketball in the past twenty years. The Totems posted a 29-5 record which included placing first in tournaments in Port Alberni and Steveston, and a respectable third in the prestigious North Shore tournament. The Totems also finished second in league play, posting an 11-2 record. The team moved on to the Islands, finishing third with a 3-1 record. This gave the Totems their first B.C. Championship visit since 1972 and a trip to G.M. Place. Team dedication, development, and desire resulted in an excellent showing at the B.C.'s. Congratulations to this great team, which played together and represented Vic High very well. Team members include Cam Stewart, Srojan Music, Shane Johnson, Jesse Smith , Alex Zolis, Aaron Thiara, Jeremy Green, Yousuf Muhammad, Karim Lowen, Dana Grossi, Steve Chapman, Paul Mc Guire, Matt Hammontree, and assistant coach Bill Chamberlain. A special thanks to coach and sponsor Walt Christianson whose years of dedication continues to instill a winning attitude in players other schools often refer to as underdogs.



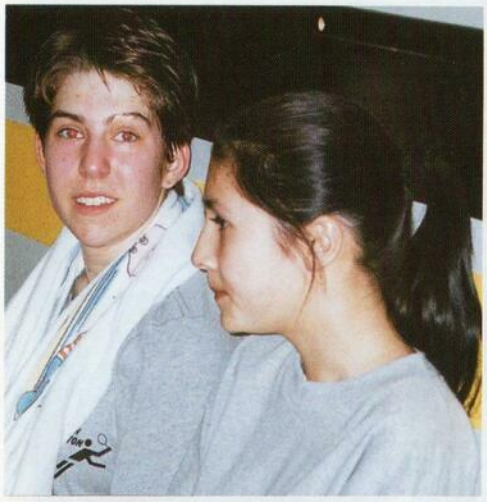


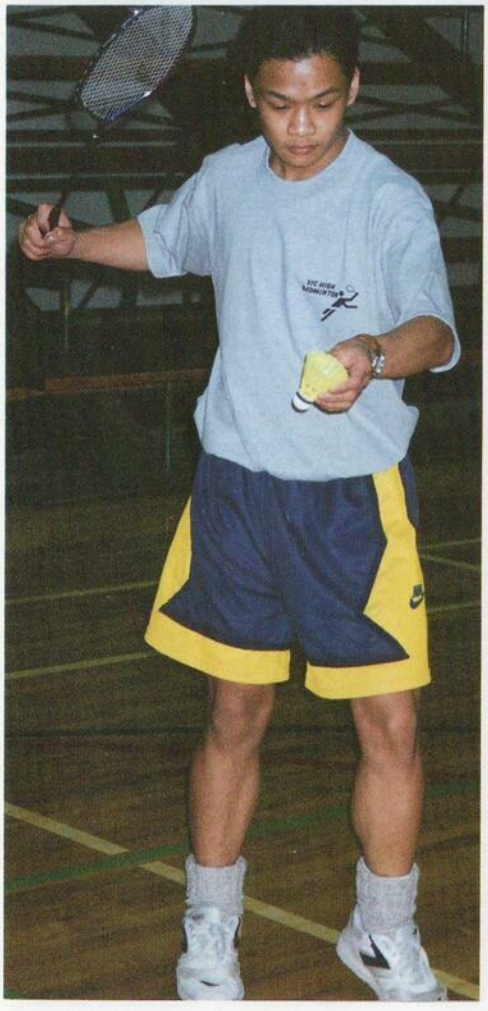


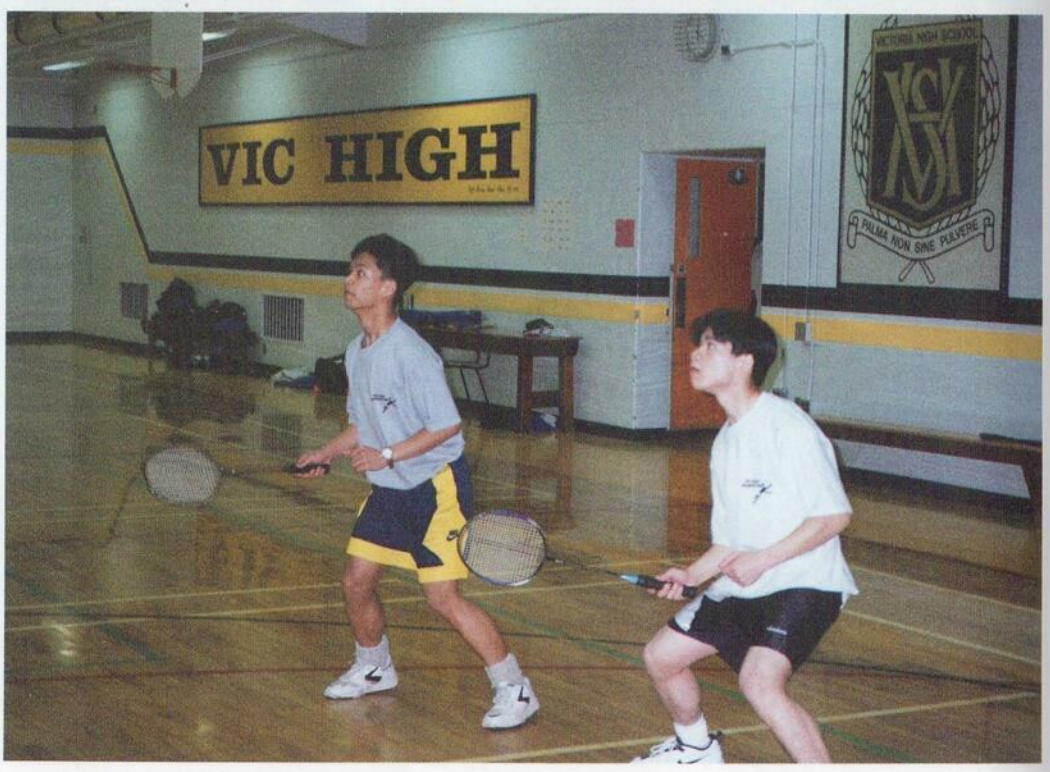


Vic High Thunderbirds

Once again, our badminton team had a very successful season. While victory on the court paled against desire, development, and dynamic pairs play, our goal of sportsmanship, sound effort, and reward through improvement was readily attained. Congratulations to team members Jamison Wheeler, Corben Winfield, Cassidy Taylor, Adam Lee, Eliot Luong, Bob Vu, Daawn Maurice, Melissa Jacobson Leah Le, Kristy Lee, Sarah Lane, and Chan Thor. A special thank you for the continued efforts of coach and sponsor Craig Girard whose long hours of dedication to sports has improved both player and person.





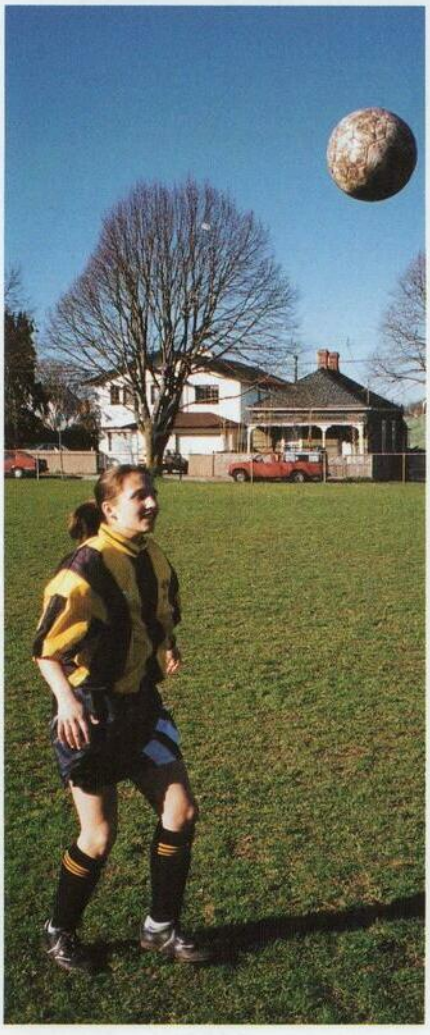


Vic High Tyettes

Our girls soccer team has grown to become a proud tradition. A tradition of bringing female athletes from many different school sports into the final female team event of the year. Friendships are renewed and lasting. Smiles and hugs from former teammates help to make bruises and blisters disappear. Rain, wind, and sun fuse the soccer season and the spirit into a great year end activity. Final scores are diminished by enthusiasm, experience, and enjoyment.

Congratulations to team members April Grant, Juanita Zuroski, Kristina Compton, Dawn Maurice, Aren Hurl, Emily Charlton, Jenny Berry, Sara Johnston, Sarah Lane, Alicia Brazier, Sharon Clarke, Jamie Seaweed, Vicky Campbell, Bri Stundon, and Kristy Lee for an outstanding season. Again, a special thanks to team sponsor Donna Blackstock whose endless hours of dedication to students contributes so much to the quality of their total development.

A special thanks to all of our athletes, all of our coaches, all of our sponsors, and all of our fans. To those not represented due to publication deadlines we do apologize. You have all contributed greatly to this grand old school.



No Reward Without Effort

On Monday, August 7, 1876, in the District School House on the School Reserve, the first students began to enroll themselves in what has grown to become a proud tradition - a tradition of excellence. On the occasion of our 120th anniversary of Victoria High School there is a feeling of anticipation and an awareness of achievement. This years Recognition Ceremony features a continuation of 120 years of excellence in education. Our heritage continues to echo and reverberate with pride. This Class of 1996 contains the spirited, the hard-working, the well-motivated, and the delightful. Tangible evidence of their contributions to Victoria High School's proud heritage is contained in this volume.

Congratulations for your contribution to 120 years of excellence.
